January 17, 2023

Dear Members of the ND Senate Judiciary Committee,

My name is Tim Baumann. I live at 1308 35th Ave. SW and I am writing today to express my opposition to SB 2199. From my perspective as a business operator and employer, this bill would make it more difficult to attract workers to our state to fill the multitude of job openings that currently exist in North Dakota.

Respectfully submitted,

Tim Baumann
