Dear Chair Larson and members of the Senate Judiciary Committee,

My testimony is in opposition to Senate Bill 2199. I ask that you give this bill a Do Not Pass.

I have several reasons for opposing this bill. First, this bill is a government overreach into people's personal lives, and it directly impacts people who I care about, including friends of mine, and members of my church. There is also a broader consequence to North Dakota as a state. This bill will lose business and make ND less competitive in the national market because it is extremist, harmful, and completely unnecessary.

Sincerely,

Shannon Bacon
