

Thank you, Chair and members of the Human Services Committee, my name is Karen Krenz and I am asking that you please render a DO PASS on Senate Bill 2260. I reside in District 1 in Williston and mom of 3 boys, I was a teacher and counselor for combined 23 years in multiple districts. chair of the Moms for Liberty Williams County chapter, I as a parent we guide, protect and are responsible for our child until they are 18 years old and beyond. I expect rights as a parent to know if they are being surveyed, having to conform to things that are not in line with my family values, conforming to opposite sex in bathrooms, being taught United Nations Sustainable Goals and expect to have a right of input for choices that are being made for my children. The state of North Dakota should be clear in its respect for the fundamental right and responsibility of parents to be the primary directors of the upbringing, education, and care of their children without the unwelcome influence from activist educators and government overreach.

Thank you for your consideration on this important issue and for your service to the state of North Dakota.
