

Members of the Senate Judiciary Committee,

“My name is Thea Holter and a mother to three children, ages 14,11, and 5. I reside in District 1 and I am asking that you please render a DO PASS on Senate Bill 2260.”

The state of North Dakota should be clear in its respect for the fundamental right and responsibility of parents to be the primary directors of the upbringing, education, and care of their children without the unwelcome influence from activist educators and government overreach.

Thank you for your consideration on this important issue and thank you for your service to the state of North Dakota.
