21			superintendent shall reduce the district's baseline funding per weighted student
22			unit by forty percent of the amount by which the district's baseline funding per-
23			weighted student unit exceeds the payment per weighted student unit for the
24			2023-24 school year. For each year thereafter, the reduction percentage is
25			increased by an additional fifteen percent. However, the district's baseline funding
26			per weighted student unit, after the reduction, may not be less than the payment-

3				weighted student units, not to exceed the district's 2017-18 baseline
4				weighted student units, plus any weighted student units in excess of the
5				2017-18 baseline weighted student units multiplied by ten thousand
6				six hundred forty-six dollars; or
7			(3)	The district's baseline funding as established in subsection 1 less the
8				amount in paragraph 1, with the difference reduced by forty percent and
9				then the difference added to the amount determined in paragraph 1.
10		b.	For	the 2024-25 school year and each school year thereafter, the superintendent
11			sha	Il calculate state aid as the greater of:
12			(1)	The district's weighted student units multiplied by eleven thousand
13				seventy-two dollars;
14			(2)	One hundred two percent of the district's baseline funding per weighted
15				student unit, as established in subsection 2, multiplied by the district's
16				weighted student units, not to exceed the district's 2017-18 baseline

21				amount in paragraph 1, with the difference reduced by fifty-five percent for-
22				the 2024-25 school year and the reduction percentage increasing by fifteen
