**SECTION 3. FUNDING TRANSFERS - EXEMPTION - AUTHORIZATION - REPORT.**

Notwithstanding section 54-16-04, the director of the office of management and budget shall transfer appropriation authority between line items within subdivisions 1, 2, 3, 4, 5, and 6 of section 1 of this Act and any other appropriation authority for the department of health and human services approved by the sixty-ninth legislative assembly, for the biennium beginning July 1, 2025, and ending June 30, 2027, as requested by the department of health and human services. The department of health and human services shall notify the legislative council of any transfer made pursuant to this section. The department of health and human services shall report to the budget section after June 30, 2026, any

transfer made in excess of \$50,000 and to the appropriations committees of the seventieth legislative assembly regarding any transfers made pursuant to this section.

**SECTION 4. FULL-TIME EQUIVALENT POSITION BLOCK GRANT PROGRAM - REPORT.**

Section 1 of this Act includes funding for a full-time equivalent position block grant program. This funding as approved by the sixty-ninth legislative assembly is available for defraying the expense of full-time equivalent positions as determined by the department of health and human services. Notwithstanding any other provision of law, the department is authorized to increase or decrease authorized full-time equivalent positions subject to the availability of funds and the provisions of this section. The department of health and human services may not increase full-time equivalent positions for the purpose of transferring human service zone employees to state employment. Pursuant to section 3 of this Act, the department is authorized to transfer appropriation authority of up to the underfunded amount of \$14,771,038 to the salaries and wages block grant line item. The department of health and human services shall report to the office of management and budget and the legislative council any adjustments to full-time equivalent positions.

**SECTION 5. DEPARTMENT OF HEALTH AND HUMAN SERVICES - SALARIES AND WAGES BLOCK GRANT - VACANT POSITIONS - REPORT.** The department of health and human services shall report to the budget section quarterly during the 2025-26 interim regarding the status of its salaries and wages block grant and vacant positions and employee turnover. The report must include:

1. The legislative appropriation for salaries and wages allocated by the department to major department programs by funding source and the number of full-time equivalent positions the department is allocating to each major program based on the legislative appropriation;
2. Any changes to salaries and wages funding or full-time equivalent positions allocated to major department programs;
3. Any new full-time equivalent positions added, the cost of the position for the remainder of the biennium, and the cost to continue funding the position in the subsequent biennium by funding source;
4. Any full-time equivalent positions removed and related funding;
5. The number of full-time equivalent positions that become vacant and the number filled each month;
6. The number of vacant full-time equivalent positions at the end of each month;
7. Salaries and wages savings resulting from vacant positions and employee turnover each month by funding source; and
8. The use of salaries and wages savings for other purposes for each month by funding source.

**SECTION 6. BEHAVIORAL HEALTH FACILITY GRANT - STRATEGIC INVESTMENT AND IMPROVEMENTS FUND - APPLICATION.**

1. Section 1 of this Act includes the sum of \$12,960,000 from the strategic investment and improvements fund for a behavioral health facility grant pursuant to this section.
2. A grant of \$12,960,000 must be provided to establish a behavioral health facility in the northeast human service region. The grant recipient must provide matching funds of \$3,240,000 to establish the facility.
3. The department shall require an entity receiving funding under this section to operate the facility for at least ten years and require the grant amount to be repaid if the entity does not operate the facility for at least ten years.

4. The requirements of chapter 54-44.4 do not apply to the selection of a grant recipient, the grant award, or payments made under this section.

**SECTION 7. APPROPRIATION - OFFICE OF GUARDIANSHIP AND CONSERVATORSHIP.** There is appropriated out of any moneys in the general fund in the state treasury, not otherwise appropriated, the sum of \$3,266,178, or so much of the sum as may be necessary, to the office of guardianship and conservatorship, for the biennium beginning July 1, 2025, and ending June 30, 2027, for the purpose of providing guardianship services after March 30, 2026.

**SECTION 8. TRANSFER - OFFICE OF GUARDIANSHIP AND CONSERVATORSHIP.** Section 1 of this Act includes the sum of \$3,266,177 from the general fund for guardianship programs. On April 1, 2026, the office of management and budget shall transfer any unspent appropriation authority for guardianship programs from the department of health and human services to the office of guardianship and conservatorship, for the biennium beginning July 1, 2025, and ending June 30, 2027.

**SECTION 9. INFANT AND TODDLER CARE PROVIDER SUPPORT DIRECT PAYMENT - ONE-TIME FUNDING - REPORT.** Section 1 of this Act includes the sum of \$11,000,000 of one-time funding from the general fund for direct payments to licensed child care providers to support high-quality early childhood care for infants and toddlers. The department shall administer the direct payment program and include the following provisions:

1. To qualify for a direct payment under this section, a direct payment recipient may not be currently receiving a child care assistance program infant/toddler bonus payment and must:
  - a. Be a licensed child care facility within the state of North Dakota;
  - b. Be enrolled in the state's bright and early quality rating system at a two-star, three-star, or four-star rating level; and
  - c. Provide care for children from birth through three years of age.
2. Eligible providers may receive up to \$200 per month for each child from birth through seventeen months of age and up to \$115 per month for each child from eighteen through thirty-six months of age.
3. The department shall distribute the direct payments on a quarterly basis. Direct payments may not be used for non-child care-related expenses or debt repayment.
4. Direct payment recipients shall submit annual reports to the department detailing fund usage, enrollment statistics, and other information requested by the department.
5. The department shall provide reports to the legislative management and to the appropriations committees of the seventieth legislative assembly on direct payments and the effectiveness of the program.

**SECTION 10. INTERMEDIATE CARE FACILITY MEDICALLY AND BEHAVIORALLY COMPLEX SERVICES GRANT - ONE-TIME FUNDING - APPLICATION.** Section 1 of this Act includes the sum of \$4,400,000 of one-time funding from the community health trust fund for providing a one-time grant to a licensed intermediate care facility in the south central human service region for providing services to children or young adults with medically and behaviorally complex conditions. To be eligible to receive the grant under this section, a licensed intermediate care facility must provide early intervention, clinical, and residential services, provide community and home support, education, recreation and leisure activities, and assistive technology; and provide services in at least eight communities for individuals with intellectual or developmental disabilities. The grant funds awarded may be used only for the costs of providing services to children and young adults with medically and behaviorally complex conditions. The requirements of chapter 54-44.4 do not apply to the selection of a grant recipient, the grant award, or payments made under this section.

**SECTION 11. SPECIAL HEALTH CARE NEEDS GRANT - APPLICATION.** Section 1 of this Act includes the sum of \$100,000 from the general fund for providing a grant to a provider in the south central human service region for statewide education, information, training, and peer support to families with children with special health care needs, medically complex conditions, or a disability. The requirements of chapter 54-44.4 do not apply to the selection of a grant recipient, the grant award, or payments made under this section.

**SECTION 12. CRISIS SERVICES GRANTS - APPLICATION.** Section 1 of this Act includes the sum of \$585,000 from the general fund for providing crisis services grants, including the sum of \$300,000 for crisis organizations that provide crisis services to young adults who are at risk of being homeless or experiencing other serious adverse life events and the sum of \$285,000 to a volunteer-based ecumenical ministry organization. The requirements of chapter 54-44.4 do not apply to the selection of a grant recipient, the grant award, or payments made under this section.

**SECTION 13. MEDICAL HOUSING FOR INDIVIDUALS WITH EXTRAORDINARY MEDICAL NEEDS - ONE-TIME FUNDING.**

1. Section 1 of this Act includes the sum of \$200,000 from the general fund for the preliminary design consultation and project administration of developing housing for individuals with disabilities that have extraordinary medical needs and for rent subsidies for individuals residing in these housing facilities, for the biennium beginning July 1, 2025, and ending June 30, 2027.
2. The department of health and human services shall collaborate with the North Dakota housing finance agency, individuals with disabilities, caregivers, and families to solicit proposals for the development of accessible housing for individuals with disabilities that have extraordinary medical needs, for the biennium beginning July 1, 2025, and ending June 30, 2027. The department shall solicit proposals from public entities, for-profit organizations, and nonprofit organizations to design, construct, maintain, and operate the housing facility. Proposals must:
  - a. Ensure that services in the facility may be provided separately from the facility ownership interests;
  - b. Ensure that individuals residing in the facility may choose among independent living service providers; and
  - c. Comply with the federal home and community-based settings rules as defined under 42 CFR 441.301(c)(4).

**SECTION 14. BEHAVIORAL HEALTH FACILITY GRANT - GENERAL FUND - ONE-TIME FUNDING - APPLICATION.** Section 1 of this Act includes the sum of \$1,500,000 appropriated from the general fund and section 29 of this Act continues unexpended appropriation authority of up to \$1,950,000 appropriated from the general fund in chapter 44 of the 2023 Session Laws to provide a total of \$3,450,000 for the purpose of providing a one-time behavioral health facility grant to establish a behavioral health facility in the northwest human service center region, for the biennium beginning July 1, 2025, and ending June 30, 2027. The department of health and human services shall include the following provisions relating to the grant award.

1. The grant recipient must provide matching funds of at least \$1,750,000 to establish the facility.
2. The department shall require an entity receiving a grant under this section to operate the facility for at least ten years and require the grant amount to be repaid if the entity does not operate the facility for at least ten years.
3. To continue to receive the grant, the behavioral health facility grant recipient must:
  - a. Enter a grant agreement or amendment or both with the department;

- b. Provide and disclose information needed to comply with the department's data collection requirements; and
  - c. Operate in compliance with grant requirements.
4. The department may recapture grant funds distributed to a grant recipient found by the department to be out of compliance with the requirements established for the grant program.
  5. The requirements of chapter 54-44.4 do not apply to the selection of a grant recipient, the grant award, or payments made under this section.

**SECTION 15. COMMUNITY CULTURAL CENTER GRANT - COMMUNITY HEALTH TRUST FUND - APPLICATION.** Section 1 of this Act includes the sum of \$300,000 from the community health trust fund for the purpose of providing a one-time community cultural center programming grant in the west central human service region. An entity may apply for a grant under this section if the entity certifies to the department the funds will be used for programs within the community cultural center. The requirements of chapter 54-44.4 do not apply to the selection of a grant recipient, the grant award, or payments made under this section.

**SECTION 16. JUVENILE JUSTICE DIVERSION SERVICES AND PROGRAMS - TASK FORCE - REPORT.** Section 1 of this Act includes the sum of \$750,000 of one-time funding from the human services finance fund for juvenile justice diversion services and programs. The department of health and human services must use the funding for services to youth at risk of juvenile justice involvement but who have not committed delinquent acts as defined in chapter 27-20.4. The department shall establish a task force with representation from divisions in the department, human service zones, the department of public instruction, elementary and secondary schools, and members of the legislative assembly, to review juvenile justice diversion services and program. The department shall report its findings and recommendations to the legislative management and children's cabinet.

Pursuant to section 3 of this Act, the director of the office of management and budget may transfer appropriation authority between line items within section 1 of this Act and any remaining appropriation authority for the department of health and human services approved by the sixty-ninth legislative assembly. The department of health and human services may transfer funds for

the payment of special assessments at the state hospital, southeast human service center, and life skills and transition center ahead of the special needs assessments schedule. Notwithstanding section 54-27-12, the department of health and human services may spend funds for the payment of special assessments at the state hospital and life skills and transition center.

**SECTION 27. CAPITAL PROJECTS - EMERGENCY COMMISSION AND BUDGET SECTION APPROVAL.** During the biennium beginning July 1, 2025, and ending June 30, 2027, pursuant to section 3 of this Act, the director of the office of management and budget may transfer appropriation authority between line items within section 1 of this Act and any remaining appropriation authority for the department of health and human services approved by the sixty-ninth legislative assembly for capital projects and maintenance pertaining to operation of its facilities, including demolition projects. Notwithstanding section 54-27-12, the department of health and human services may spend up to \$10,000,000 for capital projects and maintenance pertaining to operation of its facilities, including demolition projects, under this section and may seek emergency commission and budget section approval to spend more than \$10,000,000 under this section.

**SECTION 28. PERMANENT SUPPORTIVE HOUSING GRANTS.** Section 1 of this Act includes the sum of \$4,672,536 from the general fund for permanent supportive housing grants. The department of health and human services shall develop a funding methodology to distribute the funding to qualified entities that utilize best practices for permanent supportive housing, provide recovery-oriented and person-centered services, submit process and outcome measures to the department of health and human services, and authorize the department of health and human services to conduct onsite visits to review program operations.

**SECTION 29. EXPENDITURES MAY NOT EXCEED APPROPRIATION - MEDICAL ASSISTANCE EXPANSION PROGRAM - APPLICATION.**

1. Section 1 of this Act includes the sum of \$662,099,340, of which \$66,209,934 is from the general fund, for the medical assistance expansion program, for the biennium beginning July 1, 2025, and ending June 30, 2027. The expenditures for individuals eligible for the medical assistance expansion program may not exceed this amount.
2. The department of health and human services may exceed appropriations for increases in medical assistance expansion program caseload, for the addition of coverage consistent with the traditional Medicaid 1915(i) state plan, utilization rates, and reduction in federal medical assistance percentage.
3. The managed care organization under contract with the department of health and human services to manage the medical assistance expansion program shall reimburse providers within the same provider type and specialty at consistent levels and with consistent methodology and may not provide incentive, quality, or supplemental payments to providers, unless part of a value-based program approved by the department of health and human services. The managed care organization shall reimburse all North Dakota substance use providers of American society of addiction medicine level 2.5 at consistent levels and with consistent methodology. The managed care organization may consider urban and rural providers as different provider types.
4. The managed care organization and the department of health and human services shall ensure payments to Indian or Tribal 638 health care providers, federally qualified health centers, and rural health clinics meet the federally required minimum levels of reimbursement. Critical access hospitals may not be paid less than one hundred percent of Medicare allowable costs and human service centers may not be paid less than one hundred percent of the current traditional Medicaid rate. Behavioral health services involving partial hospitalization, intensive outpatient, professional services, and residential behavioral health services provided in facilities that are not institutions for mental diseases are not subject to the provisions in subsection 6.

5. The department of health and human services shall ensure providers within the same provider type and specialty are reimbursed at consistent levels and with consistent methodology and shall ensure the capitation rates under risk contracts are actuarially sound and are adequate to meet managed care organization contractual requirements regarding availability of services, assurance or adequate capacity and services, and coordination and continuity of care.
6. Except for the provisions in subsection 4, managed care organization premium payments must be built using the assumption that rates paid to providers under the medical assistance expansion program may not exceed one hundred forty-five percent of Medicare reimbursement rates paid to providers on January 1, 2025.

**SECTION 30. HUMAN SERVICE CENTERS - CERTIFIED COMMUNITY BEHAVIORAL HEALTH CLINICS - FULL-TIME EQUIVALENT POSITIONS - REPORT.** The department of health and human services shall continue the process of the human service centers becoming a certified community behavioral health clinic to provide continuous community-based behavioral health services for children and adults. The department of health and human services shall pursue additional federal funding as available. Subject to the availability of generated income, the department of health and human services may add full-time equivalent positions for the clinics to provide direct services for the period beginning with the effective date of this Act and ending June 30, 2027. The department of health and human services shall report to the office of management and budget and the legislative council each time a position is added.

**SECTION 31. INTERMEDIATE CARE FACILITY MORATORIUM.** The department of health and human services may not add any new licensed intermediate care facility for individuals with intellectual disabilities beds to the state's licensed bed capacity between July 1, 2025, and June 30, 2027.

**SECTION 32. EXEMPTION - UNEXPENDED APPROPRIATIONS.** The following appropriations are not subject to the provisions of section 54-44.1-11 and any unexpended appropriation authority may be continued into the biennium beginning July 1, 2025, and ending June 30, 2027:

1. The sum of \$3,674,757 appropriated from the general fund and the sum of \$25,918,566 appropriated from federal funds for the Medicaid management information system modularization technology project in chapter 12 of the 2021 Session Laws;
2. The sum of \$6,000,000 appropriated from the general fund and the sum of \$14,411,218 appropriated from federal funds for the child welfare technology project in chapter 12 of the 2021 Session Laws;
3. The sum of \$20,366,271 appropriated from the community health trust fund and the sum of \$39,534,525 appropriated from federal funds for the child support computer replacement project in chapter 44 of the 2023 Session Laws;
4. The sum of \$10,989,217 appropriated from the strategic investment and improvements fund for the procurement and grants management system in chapter 44 of the 2023 Session Laws;
5. The sum of \$4,150,000 appropriated from the general fund for defraying the expenses of additional human service centers to begin the process of becoming a certified community behavioral health clinic to provide continuous community-based behavioral health services for children and adults in chapter 44 of the 2023 Session Laws;
6. The sum of \$18,941,847 appropriated to the department of health and human services in chapter 549 of the 2021 Special Session Laws;
7. The sum of \$55,120,000 appropriated from the federal state fiscal recovery fund for a public health laboratory capital project in chapter 4 of the 2023 Session Laws;
8. The sum of \$2,200,000 appropriated from the general fund for the purpose of employer-led child care cost-share program in chapter 446 of the 2023 Session Laws;

9. The sum of \$986,555 appropriated from the general fund for the purpose of streamlining background checks project in chapter 446 of the 2023 Session Laws;
10. The sum of \$1,000,000 appropriated from the federal state fiscal recovery fund for the implementation of a virtual behavioral health crisis care program for rural law enforcement in chapter 44 of the 2023 Session Laws;
11. The sum of \$500,000 appropriated from the general fund and the sum of \$500,000 appropriated from federal funds for the purpose of program integrity audits in chapter 44 of the 2023 Session Laws; and
12. The sum of \$1,950,000 appropriated from the general fund to the department of health and human services for a northwest human service region behavioral health facility grant in chapter 44 of the 2023 Session Laws.

**SECTION 33. LEGISLATIVE INTENT - UTILIZATION RATE ADJUSTMENT.** It is the intent of the sixty-ninth legislative assembly that the department of health and human services seek a deficiency appropriation from the seventieth legislative assembly for any expenditures that exceed appropriated amounts as a result of underfunding, utilization rates, value-based purchasing for nursing facilities, reduction in federal medical assistance percentage, and unexpected contract cost increases that exceed ten percent, during the biennium beginning July 1, 2025, and ending June 30, 2027, if funding is not sufficient to pay actual expenses.

**SECTION 34. LEGISLATIVE INTENT - PROVIDER RATE INCREASE.** Except as otherwise noted, section 1 of this Act includes funding for human service provider inflation increases of two percent for each year of the biennium beginning July 1, 2025, and ending June 30, 2027. The provider inflation increase in this section does not apply to nursing facilities.

**SECTION 35. FEDERAL FUNDING APPEAL LIMITATION.** Except as otherwise specifically provided by federal law, a person may not appeal a denial, revocation, reduction in services or payment, or the termination of a program or service by the department of health and human services due to the unavailability of federal coronavirus funding received under federal law resulting from the federal coronavirus pandemic emergency declarations, for the biennium beginning July 1, 2025, and ending June 30, 2027.

**SECTION 36. DEPARTMENT OF HEALTH AND HUMAN SERVICES - LONG-TERM STRUCTURED RESIDENCES PLAN - REPORT.** During the 2025-26 interim, the department of health and human services shall review options and develop a plan to establish long-term structured residences. The department shall review necessary changes to statutes, rules, policies, and the estimated fiscal impact of establishing the residences. A long-term structured residence must be a highly structured therapeutic residential mental health treatment facility that is staffed continuously and designed to treat adults under chapters 12.1-04.1 and 25-03.1 who have severe and persistent mental illness and who have reached the maximum benefit from the mental health resources available elsewhere in the community or hospital. The department shall present a report to the legislative management by October 1, 2026, regarding its plan to establish long-term structured residences.

**SECTION 37. AMENDMENT.** A new section to chapter 6-09 of the North Dakota Century Code is created and enacted as follows:

**Extraordinary medical needs housing loan fund - Continuing appropriation.**

1. The Bank of North Dakota shall administer a loan program to provide loans for new construction projects to provide housing for individuals with disabilities that have extraordinary medical needs. A construction project may include a land purchase and the construction costs of the project. The applicant must comply with project requirements as approved by the department of health and human services and the North Dakota housing finance agency.

2. The extraordinary medical needs housing loan fund is a special fund maintained in the state treasury from which the Bank shall provide loans under this section. The fund consists of revenues transferred under legislative authorization, interest upon moneys in the fund, and collections of interest and principal on loans made from the fund. All moneys in the fund are appropriated on a continuing basis to the Bank for the purpose of providing loans under this section.
3. The developer of the housing facility for individuals with disabilities that have extraordinary medical needs may submit an application to the Bank for a loan. The application must:
  - a. Provide detail on the proposed construction project and its compliance with the department of health and human services and the North Dakota housing finance agency requirements;
  - b. Demonstrate the need and long-term viability of the project; and
  - c. Include financial information the Bank determines appropriate to verify eligibility.
4. A loan approved under this section:
  - a. May not exceed three million three hundred thousand dollars for a project;
  - b. Must have an interest rate that does not exceed two percent; and
  - c. Must have a repayment schedule of no longer than twenty years.
5. A recipient of a loan under this section shall complete the financed construction project within twenty-four months of the approval of the loan. Failure to comply with this subsection may result in forfeiture of the entire loan received under this section.
6. The Bank shall deposit in the fund all principal and interest paid on the loans made from the fund. The Bank may deduct from interest payments a service fee for costs of administering the loan program. The fund must be audited annually pursuant to section 6-09-29 and the cost of the audit and any other actual costs incurred by the Bank on behalf of the fund must be paid from the fund.

**SECTION 38. AMENDMENT.** Section 50-06-06.6 of the North Dakota Century Code is amended and reenacted as follows:

**50-06-06.6. Department may lease real and personal property.**

~~The commissioner of the department or commissioner's designee may lease surplus farm and pastureland at the state hospital and the life skills and transition center. The commissioner or designee also may enter into further leases of real or personal property at the life skills and transition center or the state hospital upon a specific finding that the granting of each such leasehold interest will result in a net economic gain for the department, taking into account all identifiable costs. Any lease of space for the purpose of providing child care services must meet requirements as determined by the department. The commissioner of the department or commissioner's designee may prescribe the terms and conditions of any leases entered into pursuant to this section and may renew existing leases. AnyThe term of any lease entered into must be subject to renewal or cancelable each bienniummay not exceed ninety-nine years.~~

**SECTION 39. AMENDMENT.** Section 50-06-42 of the North Dakota Century Code is amended and reenacted as follows:

**50-06-42. Substance use disorder treatment voucher system .**

1. The department shall establish and administer, within the limits of legislative appropriations, a voucher system to address underserved areas and gaps in the state's substance abuse

treatment system and to assist in the payment of addiction treatment services and medical costs provided by licensed substance abuse treatment programs, excluding regional human service centers and hospital- or medical clinic-based programs for medical management of withdrawal. An out-of-state licensed substance abuse treatment program located within a bordering state may participate in the voucher program to serve an underserved area of this state pursuant to the rules adopted by the department. The department shall develop rules to include processes and requirements for an out-of-state provider to receive reimbursement only for outpatient and community-based services upon a provider completing an assessment of need and receiving approval from the department.

2. Services eligible for the voucher program include only those levels of care recognized by the American society of addiction medicine, with particular emphasis given to underserved areas and programs. The department shall ensure that a licensed substance abuse treatment program, hospital, and medical clinic program accepting vouchers collects and reports process and outcome measures.
3. The department shall develop requirements and provide training and technical assistance to a licensed substance abuse treatment program, hospital, and medical clinic program accepting vouchers. A licensed substance abuse treatment program, hospital, and medical clinic program accepting vouchers shall provide evidence-based services.
4. The department shall allocate funding appropriated for the substance use disorder treatment voucher as follows:
  - a. ~~No~~Except as provided in subdivisions c and d, no more than ~~forty-five~~fifty percent of the appropriated amount may be allocated for residential substance use disorder services administered by licensed substance abuse treatment programs with more than sixteen beds.
  - b. The remaining appropriation must be allocated for residential programs with sixteen or fewer beds, nonresidential outpatient, and ancillary substance use disorder services administered by licensed substance abuse treatment programs.
  - c. The department, during the last quarter of the biennium, may reallocate projected unused funds that were allocated under subdivision b to residential facilities outlined in subdivision a.
  - d. The department may reimburse a licensed substance abuse treatment program with more than sixteen beds the incurred direct medical costs of an eligible individual who does not have resources to cover the medical costs. The department may develop rules and may not exceed the total amount appropriated for medical cost reimbursement.

**SECTION 40. AMENDMENT.** Section 50-24.5-02.3 of the North Dakota Century Code is amended and reenacted as follows:

**50-24.5-02.3. Basic care payment rates.**

1. The department shall determine limits for the care of residents of basic care facilities that qualify as vendors of an aged, blind, and disabled persons program and for implementing provisions of this chapter based on data demonstrating the most recent costs that must be incurred for the care of residents in efficiently and economically operated basic care facilities. The department shall determine the limits every four years by July first, beginning with July 1, 2023.
2. The department shall establish the limits by using the median rates from the most recent data available. The direct care limit must be the median plus eighteen percent. The indirect care limit must be the median plus twelve percent.

3. For the rate year beginning July 1, 2023, the department shall increase rates and limits three and one-half percent for inflation. For the rate year beginning July 1, 2024, the department shall increase rates and limits three and one-half percent for inflation.
4. The department shall provide a rate increase in the amount of five dollars per day for the period beginning July 1, 2023, and ending June 30, ~~2025~~2027, after which the increase is not effective. This rate increase may not be included in any calculation of inflation increase.
