13 balances of appropriations after the expiration of the biennial period during which they became
14 available under the law. Unexpended appropriations for the state historical society are not
15 subject to this section and the state historical society shall report on the amounts and uses of
16 funds carried over from one biennium to the appropriations committees of the next subsequent
17 legislative assembly. The chairmen of the appropriations committees of the senate and house of
18 representatives of the legislative assembly with the office of the budget may continue
19 appropriations or balances in force for not more than two years after the expiration of the
20 biennial period during which they became available upon recommendation of the director of the
21 budget for:

- 22 1. New construction projects.
- 23 2. Major repair or improvement projects.
- 24 3. Purchases of new equipment costing more than ten thousand dollars per unit if it was
- 25 ordered during the first twelve months of the biennium in which the funds were
