2 relating to the occupational therapy licensure compact.

3 **BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:**

4 **SECTION 1.** Chapter 43-40.1 of the North Dakota Century Code is created and enacted as
5 follows:

6 **43-40.1-01. Purpose.**

- 7 1. The purpose of this compact is to facilitate interstate practice of occupational therapy
8 with the goal of improving public access to occupational therapy services. The practice
9 of occupational therapy occurs in the state where the patient is located at the time of
10 the patient encounter. The compact preserves the regulatory authority of states to
11 protect public health and safety through the current system of state licensure.
- 12 2. This compact is designed to:
- 13 a. Increase public access to occupational therapy services by providing for the
14 mutual recognition of other member state licenses;
- 15 b. Enhance the states' ability to protect the public's health and safety;
- 16 c. Encourage the cooperation of member states in regulating multistate
17 occupational therapy practice;
- 18 d. Support spouses of relocating military members;
- 19 e. Enhance the exchange of licensure, investigative, and disciplinary information
20 between member states;
- 21 f. Allow a remote state to hold a provider of services with a compact privilege in
22 that state accountable to that state's practice standards; and
- 23 g. Facilitate the use of telehealth technology to increase access to occupational
24 therapy services.

29 (1) A member state shall, within a time frame established by the commission,
30 require a criminal background check for a licensee applying for a compact
31 privilege whose primary state of residence is that member state, by

1 receiving the results of the federal bureau of investigation criminal record
2 search, and shall use the results in making licensure decisions.

3 (2) Communication between a member state, the commission, and among
4 member states regarding the verification of eligibility for licensure through
5 the compact may not include any information received from the federal
6 bureau of investigation relating to a federal criminal records check
7 performed by a member state under Public Law 92-544;

8 f. Comply with the rules of the commission;

9 g. Use only a recognized national examination as a requirement for licensure

16 4. A member state shall provide for the state's delegate to attend all occupational therapy
17 compact commission meetings.

18 5. An individual not residing in a member state shall continue to be able to apply for a

20 The single-state license granted to the individual may not be recognized as granting
21 the compact privilege in any other member state.

22 6. This compact does not affect the requirements established by a member state for the
23 issuance of a single-state license.

24 **43-40.1-04. Compact privilege.**

25 1. To exercise the compact privilege under the terms and provisions of the compact, the
26 licensee shall:

27 a. Hold a license in the home state;

- 3 e. Have paid all fines and completed all requirements resulting from any adverse
- 4 action against any license or compact privilege, and two years have elapsed from
- 5 the date of completing the requirements;

- 7 remote state;
- 8 g. Pay any applicable fee, including any state fee, for the compact privilege;
- 9 h. Complete a criminal background check in accordance with subdivision e of

- 13 i. Meet any jurisprudence requirement established by the remote state in which the
- 14 licensee is seeking a compact privilege; and
- 15 j. Report adverse action taken by any nonmember state to the commission within
- 16 thirty days from the date the adverse action is taken.
- 17 2. The compact privilege is valid until the expiration date of the home state license. The
- 18 licensee must comply with the requirements of subsection 1 to maintain the compact
- 19 privilege in the remote state.
- 20 3. A licensee providing occupational therapy in a remote state under the compact
- 21 privilege shall function within the laws and regulations of the remote state.
- 22 4. Occupational therapy assistants practicing in a remote state must be supervised by an
- 23 occupational therapist licensed or holding a compact privilege in that remote state.
- 24 5. A licensee providing occupational therapy in a remote state is subject to that state's
- 25 regulatory authority. A remote state may, in accordance with due process and that
- 26 state's laws, remove a licensee's compact privilege in the remote state for a specific
- 27 period of time, impose fines, and take any other necessary actions to protect the
- 28 health and safety of the remote state's citizens. The licensee may be ineligible for a
- 29 compact privilege in any state until the specific time for removal has passed and all
- 30 fines are paid.

- 1 6. If a home state license is encumbered, the licensee loses the compact privilege in any
2 remote state until:
 - 3 a. The home state license is no longer encumbered; and
 - 4 b. Two years have elapsed from the date on which the home state license is no
5 longer encumbered in accordance with subdivision a.

7 must meet the requirements of subsection 1 to obtain a compact privilege in any
8 remote state.
- 9 8. If a licensee's compact privilege in any remote state is removed, the licensee may lose
10 the compact privilege in any other remote state until:

12 ended;
 - 13 b. All fines have been paid and all conditions have been met;
 - 14 c. Two years have elapsed from the date of completing the requirements under
15 subdivisions a and b; and
 - 16 d. The compact privileges are reinstated by the commission, and the compact data
17 system is updated to reflect reinstatement.
- 18 9. If a licensee's compact privilege in any remote state is removed due to an erroneous
19 charge, privileges must be restored through the compact data system.
- 20 10. If the requirements of subsection 8 have been met, the licensee must meet the
21 requirements in subsection 1 to obtain a compact privilege in a remote state.

22 **43-40.1-05. Obtaining a new home state license by virtue of compact privilege.**

- 23 1. An occupational therapist or occupational therapy assistant may hold a home state
24 license, which allows for compact privileges in member states, in only one member
25 state at a time.
- 26 2. If an occupational therapist or occupational therapy assistant changes primary state of
27 residence by moving between two member states:
 - 28 a. The occupational therapist or occupational therapy assistant shall file an
29 application for obtaining a new home state license by virtue of a compact
30 privilege, pay all applicable fees, and notify the current and new home state in
31 accordance with applicable rules adopted by the commission.

- 1 b. Upon receipt of an application for obtaining a new home state license by virtue of
2 compact privilege, the new home state shall verify the occupational therapist or
3 occupational therapy assistant meets the pertinent criteria outlined in section
4 43-40.1-04 through the data system, without need for primary source verification
5 except for:
6 (1) A federal bureau of investigation fingerprint-based criminal background
7 check if not previously performed or updated pursuant to applicable rules
8 adopted by the commission in accordance with Public Law 92-544;
9 (2) Any other criminal background check as required by the new home state;
10 and
11 (3) Submission of any requisite jurisprudence requirements of the new home
12 state.
- 13 c. The former home state shall convert the former home state license into a
14 compact privilege once the new home state has activated the new home state
15 license in accordance with applicable rules adopted by the commission.
- 16 d. Notwithstanding any other provision of this compact, if the occupational therapist
17 or occupational therapy assistant cannot meet the criteria in section 43-40.1-04,
18 the new home state shall apply its requirements for issuing a new single-state
19 license.
- 20 e. The occupational therapist or the occupational therapy assistant shall pay all
21 applicable fees to the new home state in order to be issued a new home state
22 license.
- 23 3. If an occupational therapist or occupational therapy assistant changes primary state of
24 residence by moving from a member state to a nonmember state, or from a
25 nonmember state to a member state, the state criteria applies for issuance of a single-
26 state license in the new state.
- 27 4. Nothing in this compact shall interfere with a licensee's ability to hold a single-state
28 license in multiple states. For the purposes of this compact, a licensee only may have
29 one home state license.
- 30 5. This compact does not affect the requirements established by a member state for the
31 issuance of a single-state license.

1 **43-40.1-06. Active duty military personnel or their spouses.**

2 Active duty military personnel, or their spouses, shall designate a home state where the
3 individual has a current license in good standing. The individual may retain the home state
4 designation during the period the service member is on active duty. Subsequent to designating
5 a home state, the individual only shall change their home state through application for licensure
6 in the new state or through the process described in section 43-40.1-05.

7 **43-40.1-07. Adverse actions.**

- 8 1. A home state has exclusive power to impose adverse action against an occupational
9 therapist's or occupational therapy assistant's license issued by the home state.
- 10 2. In addition to the other powers conferred by state law, a remote state may:
- 11 a. Take adverse action against an occupational therapist's or occupational therapy
12 assistant's compact privilege within that member state.
- 13 b. Issue a subpoena for hearings and investigations that require the attendance and
14 testimony of witnesses as well as the production of evidence. A subpoena issued
15 by a licensing board in a member state for the attendance and testimony of
16 witnesses or the production of evidence from another member state must be
17 enforced in the latter state by any court of competent jurisdiction, according to the
18 practice and procedure of that court applicable to subpoenas issued in
19 proceedings pending before the court. The issuing authority shall pay any witness
20 fees, travel expenses, mileage, and other fees required by the service statutes of
21 the state in which the witnesses or evidence are located.
- 22 3. For purposes of taking adverse action, the home state shall give the same priority and
23 effect to reported conduct received from a member state as it would if the conduct had
24 occurred within the home state. In so doing, the home state shall apply its own state
25 laws to determine appropriate action.
- 26 4. The home state shall complete any pending investigation of an occupational therapist
27 or occupational therapy assistant who changes primary state of residence during the
28 course of the investigation. The home state, where the investigation was initiated may
29 take appropriate action and shall promptly report the conclusion of the investigation to
30 the occupational therapy compact commission data system. The occupational therapy

1 compact commission data system administrator shall promptly notify the new home
2 state of any adverse action.

3 5. A member state, if otherwise permitted by state law, may recover from the affected
4 occupational therapist or occupational therapy assistant the cost of an investigation
5 and disposition of a case resulting from any adverse action taken against that
6 occupational therapist or occupational therapy assistant.

7 6. A member state may take adverse action based on the factual findings of the remote
8 state, provided the member state follows its own procedures for taking the adverse
9 action.

10 7. Joint investigations:

11 a. In addition to the authority granted to a member state by its respective state
12 occupational therapy laws and regulations or other applicable state law, any
13 member state may participate with other member states in joint investigations of
14 licensees.

15 b. Member states shall share any investigative, litigation, or compliance materials in
16 furtherance of any joint or individual investigation initiated under the compact.

17 8. If an adverse action is taken by the home state against an occupational therapist's or
18 occupational therapy assistant's license, the occupational therapist's or occupational
19 therapy assistant's compact privilege in all other member states must be deactivated
20 until all encumbrances have been removed from the state license. All home state
21 disciplinary orders that impose adverse action against an occupational therapist's or
22 occupational therapy assistant's license must include a statement that the
23 occupational therapist's or occupational therapy assistant's compact privilege is
24 deactivated in all member states during the pendency of the order.

25 9. If a member state takes adverse action, the member state shall promptly notify the
26 administrator of the data system. The administrator of the data system shall promptly
27 notify the home state of any adverse action by a remote state.

28 10. This compact does not override a member state's decision that participation in an
29 alternative program may be used in lieu of adverse action.

1 **43-40.1-08. Establishment of the occupational therapy compact commission.**

2 1. The compact member states hereby create and establish a joint public agency known
3 as the occupational therapy compact commission.

4 a. The commission is an instrumentality of the compact states.

5 b. Venue is proper and judicial proceedings by or against the commission must be
6 brought exclusively in a court of competent jurisdiction where the principal office
7 of the commission is located. The commission may waive venue and
8 jurisdictional defenses to the extent the commission adopts or consents to
9 participate in alternative dispute resolution proceedings.

10 c. This compact may not be construed to be a waiver of sovereign immunity.

11 2. Membership, voting, and meetings.

12 a. Each member state has and is limited to one delegate selected by that member
13 state's licensing board.

14 b. The delegate must be:

24 and affairs of the commission. A delegate shall vote in person or by any other
25 means provided in the bylaws. The bylaws may provide for delegates'
26 participation in meetings by telephone or other means of communication.

27 f. The commission shall meet at least once during each calendar year. Additional
28 meetings must be held as provided in the bylaws.

19 matters.
- 20 k. Accept any and all appropriate donations and grants of money, equipment,
21 supplies, materials and services, and receive, use and dispose of the same;

9 a reasonable basis for believing occurred within the scope of commission
10 employment, duties, or responsibilities. This subdivision may not be construed to
11 protect any such individual from suit or liability for any damage, loss, injury, or
12 liability caused by the intentional, willful, or wanton misconduct of that individual.
- 13 b. The commission shall defend any member, officer, executive director, employee,
14 or representative of the commission in any civil action seeking to impose liability
15 arising out of any actual or alleged act, error, or omission that occurred within the
16 scope of commission employment, duties, or responsibilities, or that the
17 individual against whom the claim is made had a reasonable basis for believing
18 occurred within the scope of commission employment, duties, or responsibilities.
19 This subdivision may not be construed to prohibit that individual from retaining
20 counsel or that the actual or alleged act, error, or omission did not result from that
21 individual's intentional, willful, or wanton misconduct.
- 22 c. The commission shall indemnify and hold harmless any member, officer,
23 executive director, employee, or representative of the commission for the amount
24 of any settlement or judgment obtained against that individual arising out of any
25 actual or alleged act, error, or omission that occurred within the scope of
26 commission employment, duties, or responsibilities, or that the individual had a
27 reasonable basis for believing occurred within the scope of commission
28 employment, duties, or responsibilities, provided the actual or alleged act, error,
29 or omission did not result from the intentional, willful, or wanton misconduct of
30 that individual.

1 **43-40.1-09. Data system.**

- 2 1. The commission shall provide for the development, maintenance, and use of a
3 coordinated database and reporting system containing licensure, adverse action, and
4 investigative information on all licensed individuals in member states.
- 5 2. A member state shall submit a uniform data set to the data system on all individuals to
6 whom this compact applies, as required by the rules of the commission using a unique
7 identifier that includes:
- 8 a. Identifying information;
9 b. Licensure data;
10 c. Adverse actions against a license or compact privilege;
11 d. Nonconfidential information related to alternative program participation;
12 e. Any denial of application for licensure, and the reason for the denial;
13 f. Other information that may facilitate the administration of this compact, as
14 determined by the rules of the commission; and
15 g. Current significant investigative information.
- 16 3. Current significant investigative information and other investigative information
17 pertaining to a licensee in any member state only will be available to other member
18 states.
- 19 4. The commission shall promptly notify all member states of any adverse action taken
20 against a licensee or an individual applying for a license. Adverse action information
21 pertaining to a licensee in any member state will be available to any other member
22 state.
- 23 5. Member states contributing information to the data system may designate information
24 that may not be shared with the public without the express permission of the
25 contributing state.
- 26 6. Any information submitted to the data system that is subsequently required to be
27 expunged by the laws of the member state contributing the information must be
28 removed from the data system.

1 **43-40.1-10. Rulemaking.**

- 2 1. The commission shall exercise its rulemaking powers pursuant to the criteria set forth
3 in this section and the rules adopted thereunder. Rules and amendments become
4 binding as of the date specified in each rule or amendment.
- 5 2. The commission shall adopt rules in order to effectively and efficiently achieve the
6 purposes of the compact. Notwithstanding the foregoing, if the commission exercises
7 its rulemaking authority in a manner beyond the scope of the purposes of the compact,
8 or the powers granted under the compact, then the action by the commission is invalid
9 and has no force and effect.
- 10 3. If a majority of the legislatures of the member states rejects a rule, by enactment of a
11 statute or resolution in the same manner used to adopt the compact within four years
12 of the date of adoption of the rule, the rule has no further force and effect in any
13 member state.
- 14 4. Rules or amendments to the rules must be adopted at a regular or special meeting of
15 the commission.
- 16 5. Before adoption of a final rule by the commission, and at least thirty days in advance
17 of the meeting at which the rule will be considered and voted upon, the commission
18 shall file a notice of proposed rulemaking:
- 19 a. On the website of the commission or other publicly accessible platform; and
20 b. On the website of each member state occupational therapy licensing board or
21 other publicly accessible platform or the publication in which each state would
22 otherwise publish proposed rules.
- 23 6. The notice of proposed rulemaking must include:
- 24 a. The proposed time, date, and location of the meeting in which the rule will be
25 considered and voted on;
- 26 b. The text of the proposed rule or amendment and the reason for the proposed
27 rule;
- 28 c. A request for comments on the proposed rule from any interested person; and
29 d. The manner in which interested persons may submit notice to the commission of
30 their intention to attend the public hearing and any written comments.

- 1 7. Before adoption of a proposed rule, the commission shall allow an individual to submit
2 written data, facts, opinions, and arguments, which must be made available to the
3 public.
- 4 8. The commission shall grant an opportunity for a public hearing before the commission
5 adopts a rule or amendment if a hearing is requested by:
- 6 a. At least twenty-five individuals;
7 b. A state or federal governmental subdivision or agency; or
8 c. An association or organization having at least twenty-five members.
- 9 9. If a hearing is held on the proposed rule or amendment, the commission shall publish
10 the place, time, and date of the scheduled public hearing. If the hearing is held
11 through electronic means, the commission shall publish the mechanism for access to
12 the electronic hearing.
- 13 a. Any individual wishing to be heard at the hearing shall notify the executive
14 director of the commission or other designated member in writing of their desire
15 to appear and testify at the hearing not less than five business days before the
16 scheduled date of the hearing.
- 17 b. Hearings must be conducted in a manner providing an individual who wishes to
18 comment a fair and reasonable opportunity to comment orally or in writing.
- 19 c. All hearings must be recorded. A copy of the recording must be made available
20 on request.
- 21 d. This section may not be construed to require a separate hearing on each rule.
22 Rules may be grouped for the convenience of the commission at hearings
23 required by this section.
- 24 10. Following the scheduled hearing date, or by the close of business on the scheduled
25 hearing date if the hearing was not held, the commission shall consider all written and
26 oral comments received.
- 27 11. If written notice of intent to attend the public hearing by interested parties is not
28 received, the commission may proceed with adoption of the proposed rule without a
29 public hearing.

- 1 12. The commission shall, by majority vote of all members, take final action on the
2 proposed rule and determine the effective date of the rule, if any, based on the
3 rulemaking record and the full text of the rule.
- 4 13. Upon determination that an emergency exists, the commission may consider and
5 adopt an emergency rule without prior notice, opportunity for comment, or hearing,
6 provided the usual rulemaking procedures provided in the compact and in this section
7 must be retroactively applied to the rule as soon as reasonably possible, in no event
8 later than ninety days after the effective date of the rule. For purposes of this
9 provision, an emergency rule is one that must be adopted immediately in order to:
- 10 a. Meet an imminent threat to public health, safety, or welfare;
11 b. Prevent a loss of commission or member state funds;
12 c. Meet a deadline for the promulgation of an administrative rule that is established
13 by federal law or rule; or
14 d. Protect public health and safety.
- 15 14. The commission or an authorized committee of the commission may direct revisions to
16 a previously adopted rule or amendment for purposes of correcting typographical
17 errors, errors in format, errors in consistency, or grammatical errors. Public notice of
18 any revisions must be posted on the website of the commission. The revision is
19 subject to challenge by any individual for a period of thirty days after posting. The
20 revision may be challenged only on grounds that the revision results in a material
21 change to a rule. A challenge must be made in writing and delivered to the chair of the
22 commission before the end of the notice period. If a challenge is not made, the
23 revision will take effect without further action. If the revision is challenged, the revision
24 may not take effect without the approval of the commission.

25 **43-40.1-11. Oversight, dispute resolution, and enforcement.**

- 26 1. Oversight.
- 27 a. The executive, legislative, and judicial branches of state government in each
28 member state shall enforce this compact and take all actions necessary and
29 appropriate to effectuate the compact's purposes and intent. The provisions of
30 this compact and the rules adopted hereunder have standing as statutory law.

1 b. All courts shall take judicial notice of the compact and the rules in any judicial or
2 administrative proceeding in a member state pertaining to the subject matter of
3 this compact which may affect the powers, responsibilities, or actions of the
4 commission.

5 c. The commission is entitled to receive service of process in any such proceeding,
6 and has standing to intervene in such a proceeding for all purposes. Failure to
7 provide service of process to the commission renders a judgment or order void
8 as to the commission, this compact, or adopted rules.

9 2. Default, technical assistance, and termination.

10 a. If the commission determines a member state has defaulted in the performance
11 of its obligations or responsibilities under this compact or the adopted rules, the
12 commission shall:

13 (1) Provide written notice to the defaulting state and other member states of the
14 nature of the default, the proposed means of curing the default, and any
15 other action to be taken by the commission; and

16 (2) Provide remedial training and specific technical assistance regarding the
17 default.

18 b. If a state in default fails to cure the default, the defaulting state may be
19 terminated from the compact upon an affirmative vote of a majority of the
20 member states, and all rights, privileges, and benefits conferred by this compact
21 may be terminated on the effective date of termination. A cure of the default does
22 not relieve the offending state of obligations or liabilities incurred during the
23 period of default.

24 c. Termination of membership in the compact must be imposed only after all other
25 means of securing compliance have been exhausted. Notice of intent to suspend
26 or terminate must be given by the commission to the governor, the majority and
27 minority leaders of the defaulting state's legislature, and each of the member
28 states.

29 d. A state that has been terminated is responsible for all assessments, obligations,
30 and liabilities incurred through the effective date of termination, including
31 obligations that extend beyond the effective date of termination.

1 e. The commission may not incur any costs related to a state that is found to be in
2 default or has been terminated from the compact, unless agreed on in writing
3 between the commission and the defaulting state.

4 f. The defaulting state may appeal the action of the commission by petitioning the
5 United States district court for the District of Columbia or the federal district
6 where the commission has its principal offices. The prevailing member must be
7 awarded all costs of litigation, including reasonable attorney's fees.

8 3. Dispute resolution.

9 a. Upon request by a member state, the commission shall attempt to resolve
10 disputes related to the compact that arise among member states and between
11 member and nonmember states.

12 b. The commission shall adopt a rule providing for both mediation and binding
13 dispute resolution for disputes as appropriate.

14 4. Enforcement.

15 a. The commission, in the reasonable exercise of its discretion, shall enforce the
16 provisions and rules of this compact.

17 b. By majority vote, the commission may initiate legal action in the United States
18 district court for the District of Columbia, or the federal district where the
19 commission has its principal offices, against a member state in default to enforce
20 compliance with the provisions of the compact and its rules and bylaws. The relief
21 sought may include injunctive relief and damages. If judicial enforcement is
22 necessary, the prevailing member must be awarded all costs of litigation,
23 including reasonable attorney's fees.

24 c. The remedies herein are not the exclusive remedies of the commission. The
25 commission may pursue any other remedies available under federal or state law.

26 **43-40.1-12. Date of implementation of the interstate compact for occupational therapy**
27 **practice and associated rules, withdrawal, and amendment.**

28 1. The compact becomes effective on the date the compact statute is enacted into law in
29 the tenth member state. The provisions, which become effective at that time, are
30 limited to the powers granted to the commission relating to assembly and the adoption

- 1 of rules. Thereafter, the commission shall meet and exercise rulemaking powers
2 necessary to the implementation and administration of the compact.
- 3 2. Any state that joins the compact subsequent to the commission's initial adoption of the
4 rules is subject to the rules as they exist on the date the compact becomes law in that
5 state. Any rule that has been previously adopted by the commission has the full force
6 and effect of law on the day the compact becomes law in that state.
- 7 3. Any member state may withdraw from this compact by enacting a statute repealing the
8 compact.
- 9 a. A member state's withdrawal may not take effect until six months after enactment
10 of the repealing statute.
- 11 b. Withdrawal may not affect the continuing requirement of the withdrawing state's
12 occupational therapy licensing board to comply with the investigative and
13 adverse action reporting requirements of this compact before the effective date of
14 withdrawal.
- 15 4. The compact may not be construed to invalidate or prevent any occupational therapy
16 licensure agreement or other cooperative arrangement between a member state and a
17 nonmember state which does not conflict with the provisions of this compact.
- 18 5. This compact may be amended by the member states. An amendment to this compact
19 may not become effective and binding on any member state until the amendment is
20 enacted into the laws of all member states.

21 **43-40.1-13. Construction and severability.**

22 This compact must be liberally construed to effectuate the purposes of the compact. The
23 provisions of this compact are severable and if any phrase, clause, sentence, or provision of
24 this compact is declared to be contrary to the constitution of any member state or of the United
25 States or the applicability thereof to any government, agency, individual, or circumstance is held
26 invalid, the validity of the remainder of this compact and the applicability of this compact to any
27 government, agency, individual, or circumstance are not affected thereby. If this compact is held
28 contrary to the constitution of any member state, the compact remains in full force and effect as
29 to the remaining member states and in full force and effect as to the member state affected as
30 to all severable matters.

1 **43-40.1-14. Binding effect of compact and other laws.**

2 1. A licensee providing occupational therapy in a remote state under the compact
3 privilege shall function within the laws and regulations of the remote state.

4 2. This compact does not prevent the enforcement of any other law of a member state
5 which is not inconsistent with the compact.

6 3. A law in a member state in conflict with the compact is superseded to the extent of the
7 conflict.

8 4. Any lawful actions of the commission, including all rules and bylaws adopted by the
9 commission, are binding on the member states.

10 5. All agreements between the commission and the member states are binding in
11 accordance with the terms of the agreement.

12 6. If a provision of the compact exceeds the constitutional limits imposed on the
13 legislature of any member state, the provision is ineffective to the extent of the conflict
14 with the constitutional provision in question in that member state.
