15 suffer serious bodily injury or death, abducted a law enforcement officer, or caused a  
16 law enforcement officer to go missing while on duty, and the individual has left the  
17 scene of the offense.

7           harm or death, as determined by a law enforcement agency and either the  
8           highway patrol or bureau of criminal investigation, based on a report  
9           received from the missing adult's family member or an individual who has  
10           significant frequent contact with the missing adult, which contains sufficient  
11           evidence of the imminent risk;
- 12           (2) Warrants a silver alert notice activation due to the particular circumstances,  
13           as determined by a law enforcement agency and either the highway patrol

15           missing adult's family member or an individual who has significant frequent

7           (2) Assist with the apprehension of the abductor; and  
8           (3) Believe an immediate broadcast alert will assist in the search for and safe
