- 1 A BILL for an Act to amend and reenact section 15.1-27-04.1 of the North Dakota Century 2 Code, relating to the option for a school district to reduce its local contribution deduction in the 3 school state aid formula by the percentage of the local contribution which comes from in lieu of 4 revenue. 5 BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA: 6 SECTION 1. AMENDMENT. Section 15.1-27-04.1 of the North Dakota Century Code is 7 amended and reenacted as follows: 8 15.1-27-04.1. Baseline funding - Establishment - Determination of state aid. (Effective 9 through June 30, 2025) (Retroactive application - See note) 10 To determine the amount of state aid payable to each district, the superintendent of 11 public instruction shall establish each district's baseline funding. A district's baseline 12 funding consists of: 13 a. All state aid received by the district in accordance with chapter 15.1-27 during the 14 2018-19 school year; 15 An amount equal to the property tax deducted by the superintendent of public-b. 16 instruction to determine the 2018-19 state aid payment; 17 An amount equal to seventy-five percent of the revenue received by the school-18 district during the 2017-18 school year for the following revenue types: 19 Revenue reported under code 2000 of the North Dakota school district
 - (2) Mineral revenue received by the school district through direct allocation from the state treasurer and not reported under code 2000 of the North Dakota school district financial accounting and reporting manual, as developed by

superintendent of public instruction in accordance with section 15.1-02-08;

financial accounting and reporting manual, as developed by the

1			the superintendent of public instruction in accordance with section
2			15.1-02-08;
3		(3)	Tuition reported under code 1300 of the North Dakota school district
4			financial accounting and reporting manual, as developed by the
5			superintendent of public instruction in accordance with section 15.1-02-08,
6			with the exception of revenue received specifically for the operation of an
7			educational program provided at a residential treatment facility, tuition
8			received for the provision of an adult farm management program, and
9			beginning in the 2021-22 school year, seventeen percent of tuition received
10			under an agreement to educate students from a school district on an
11			air force base with funding received through federal impact aid, and an
12			additional seventeen percent of tuition received under an agreement to
13			educate students from a school district on an air force base with funding
14			received through federal impact aid each school year thereafter, until the
15			2024-25 school year when sixty-eight percent of tuition received under an
16			agreement to educate students from a school district on an air force base
17			with funding received through federal impact aid must be excluded from the
18			tuition calculation under this paragraph;
19		(4)	Revenue from payments in lieu of taxes on the distribution and transmission
20			of electric power;
21		(5)	Revenue from payments in lieu of taxes on electricity generated from
22			sources other than coal; and
23		(6)	Revenue from the leasing of land acquired by the United States for which
24			compensation is allocated to the state under 33 U.S.C. 701(c)(3);
25	d.	An a	amount equal to the total revenue received by the school district during the
26		201	7-18 school year for the following revenue types:
27		(1)	Mobile home tax revenue;
28		(2)	Telecommunications tax revenue; and
29		(3)	Revenue from payments in lieu of taxes and state reimbursement of the
30			homestead credit and disabled veterans credit; and

- Beginning with the 2020-21 school year, the superintendent shall reduce the baseline funding for any school district that becomes an elementary district pursuant to section 15.1-07-27 after the 2012-13 school year. The reduction must-be proportional to the number of weighted student units in the grades that are offered through another school district relative to the total number of weighted-student units the school district offered in the year before the school district became an elementary district. The reduced baseline funding applies to the calculation of state aid for the first school year in which the school district becomes an elementary district and for each year thereafter. For districts that become an elementary district prior to the 2020-21 school year, the superintendent shall use the reduced baseline funding to calculate state aid for-the 2020-21 school year and for each year thereafter.
 - 2. a. The superintendent shall divide the district's baseline funding determined in subsection 1 by the district's 2017-18 weighted student units to determine the district's baseline funding per weighted student unit.
 - b. For any school district that becomes an elementary district pursuant to section 15.1-07-27 after the 2017-18 school year, the superintendent shall adjust the district's baseline funding per weighted student unit used to calculate state aid. The superintendent shall divide the district's baseline funding determined in subsection 1 by the district's weighted student units after the school district becomes an elementary district to determine the district's adjusted baseline funding per weighted student unit. The superintendent shall use the district's adjusted baseline funding per weighted student unit in the calculation of state aid for the first school year in which the school district becomes an elementary district and for each year thereafter.
 - e. Beginning with the 2021-22 school year and for each school year thereafter, the superintendent shall reduce the district's baseline funding per weighted student unit. Each year the superintendent shall calculate the amount by which the district's baseline funding per weighted student unit exceeds the payment per weighted student unit provided in subsection 3. For the 2023-24 school year the superintendent shall reduce the district's baseline funding per weighted student

1			unit	by forty percent of the amount by which the district's baseline funding per
2			wei	ghted student unit exceeds the payment per weighted student unit for the
3			202	23-24 school year. For each year thereafter, the reduction percentage is
4			incr	eased by an additional fifteen percent. However, the district's baseline funding
5			per	weighted student unit, after the reduction, may not be less than the payment
6			per	weighted student unit provided in subsection 3.
7	3.	a.	For	the 2023-24 school year, the superintendent shall calculate state aid as the
8			gre	ater of:
9			(1)	The district's weighted student units multiplied by ten thousand six hundred
10				forty-six dollars;
11			(2)	One hundred two percent of the district's baseline funding per weighted
12				student unit, as established in subsection 2, multiplied by the district's
13				weighted student units, not to exceed the district's 2017-18 baseline
14				weighted student units, plus any weighted student units in excess of the
15				2017-18 baseline weighted student units multiplied by ten thousand
16				six hundred forty-six dollars; or
17			(3)	The district's baseline funding as established in subsection 1 less the
18				amount in paragraph 1, with the difference reduced by forty percent and
19				then the difference added to the amount determined in paragraph 1.
20		b.	For	the 2024-25 school year and each school year thereafter, the superintendent
21			sha	ıll calculate state aid as the greater of:
22			(1)	The district's weighted student units multiplied by eleven thousand
23				seventy-two dollars;
24			(2)	One hundred two percent of the district's baseline funding per weighted
25				student unit, as established in subsection 2, multiplied by the district's
26				weighted student units, not to exceed the district's 2017-18 baseline
27				weighted student units, plus any weighted student units in excess of the
28				2017-18 baseline weighted student units multiplied by eleven thousand
29				seventy-two dollars; or
30			(3)	The district's baseline funding as established in subsection 1 less the
31				amount in paragraph 1, with the difference reduced by fifty-five percent for

1				the 2	2024-25 school year and the reduction percentage increasing by fifteen			
2				perc	ent each school year thereafter until the difference is reduced to zero,			
3			and then the difference added to the amount determined in paragraph 1.					
4	4.	Afte	After determining the product in accordance with subsection 3, the superintendent of					
5		puk	public instruction shall:					
6		a.	Sub	tract a	an amount equal to sixty mills multiplied by the taxable valuation of the			
7			sch	ool dis	strict, except the amount in dollars subtracted for purposes of this			
8			sub	divisio	on may not exceed the previous year's amount in dollars subtracted for			
9			pur	ooses	of this subdivision by more than twelve percent, adjusted pursuant to			
10			sec	tion 18	5.1-27-04.3; and			
11		b.	Sub	tract a	an amount equal to seventy-five percent of all revenue types listed in			
12			sub	divisio	ons c and d of subsection 1. Before determining the deduction for			
13			sev	enty-fi	ve percent of all revenue types, the superintendent of public instruction			
14			sha	ll adju	st revenues as follows:			
15			(1)	Tuiti	on revenue shall be adjusted as follows:			
16				(a)	In addition to deducting tuition revenue received specifically for the			
17					operation of an educational program provided at a residential			
18					treatment facility, tuition revenue received for the provision of an adult-			
19					farm management program, tuition received for the education of			
20					high-cost and special education students, and tuition received under-			
21					an agreement to educate students from a school district on an			
22					air force base with funding received through federal impact aid as			
23					directed each school year in paragraph 3 of subdivision c of			
24					subsection 1, the superintendent of public instruction also shall reduce			
25					the total tuition reported by the school district by the amount of tuition-			
26					revenue received for the education of students not residing in the			
27					state and for which the state has not entered a cross-border education			
28					contract; and			
29				(b)	The superintendent of public instruction also shall reduce the total-			
30					tuition reported by admitting school districts meeting the requirements			
31					of subdivision e of subsection 2 of section 15.1-29-12 by the amount			

1				of tuition revenue received for the education of students residing in an			
2				adjacent school district.			
3			(2)	After adjusting tuition revenue as provided in paragraph 1, the			
4				superintendent shall reduce all remaining revenues from all revenue types			
5				by the percentage of mills levied in 2022 by the school district for sinking			
6				and interest relative to the total mills levied in 2022 by the school district for-			
7				all purposes.			
8	5.	The	amo	unt remaining after the computation required under subsection 4 is the			
9		amo	unt c	of state aid to which a school district is entitled, subject to any other statutory			
10		requ	irem	ents or limitations.			
11	6.	On or before June thirtieth of each year, the school board shall certify to the					
12		supe	erinte	endent of public instruction the final average daily membership for the current			
13		sche	ol ye	ear.			
14	7.	For purposes of the calculation in subsection 4, each county auditor, in collaboration					
15		with	the s	school districts, shall report the following to the superintendent of public-			
16		instr	uctio	n on an annual basis:			
17		a.	The	amount of revenue received by each school district in the county during the			
18			prev	vious school year for each type of revenue identified in subdivisions c and d of			
19			sub	section 1;			
20		b.	The	total number of mills levied in the previous calendar year by each school			
21			dist	rict for all purposes; and			
22		C.	The	number of mills levied in the previous calendar year by each school district			
23			for s	sinking and interest fund purposes.			
24	Bas	seline funding - Establishment - Determination of state aid. (Effective after					
25	June 30) , 202 (5)				
26	1.	To de	eterr	mine the amount of state aid payable to each district, the superintendent of			
27		publi	ic ins	struction shall establish each district's baseline funding. A district's baseline			
28		fund	ing c	consists of:			
29		a.	All s	state aid received by the district in accordance with chapter 15.1-27 during the			
30			201	8-19 school year;			

1 An amount equal to the property tax deducted by the superintendent of public 2 instruction to determine the 2018-19 state aid payment; 3 C. An amount equal to seventy-five percent of the revenue received by the school 4 district during the 2017-18 school year for the following revenue types: 5 Revenue reported under code 2000 of the North Dakota school district 6 financial accounting and reporting manual, as developed by the 7 superintendent of public instruction in accordance with section 15.1-02-08; 8 (2) Mineral revenue received by the school district through direct allocation from 9 the state treasurer and not reported under code 2000 of the North Dakota 10 school district financial accounting and reporting manual, as developed by 11 the superintendent of public instruction in accordance with section 12 15.1-02-08; 13 Tuition reported under code 1300 of the North Dakota school district (3) 14 financial accounting and reporting manual, as developed by the 15 superintendent of public instruction in accordance with section 15.1-02-08, 16 with the exception of revenue received specifically for the operation of an 17 educational program provided at a residential treatment facility, tuition 18 received for the provision of an adult farm management program, and 19 beginning in the 2025-26 school year, eighty-five percent of tuition received 20 under an agreement to educate students from a school district on an 21 air force base with funding received through federal impact aid, until the 22 2026-27 school year, and each school year thereafter, when all tuition 23 received under an agreement to educate students from a school district on 24 an air force base with funding received through federal impact aid must be 25 excluded from the tuition calculation under this paragraph; 26 Revenue from payments in lieu of taxes on the distribution and transmission (4) 27 of electric power; 28 Revenue from payments in lieu of taxes on electricity generated from (5) 29 sources other than coal; and 30 (6) Revenue from the leasing of land acquired by the United States for which 31 compensation is allocated to the state under 33 U.S.C. 701(c)(3); and

d. An amount equal to the total revenue received by the school district during the 2017-18 school year for the following revenue types:

(1) Mobile home tax revenue;

(2) Telecommunications tax revenue; and

(3) Revenue from payments in lieu of taxes and state reimbursement of the

homestead credit and disabled veterans credit.

- e. Beginning with the 2020-21 school year, the superintendent shall reduce the baseline funding for any school district that becomes an elementary district pursuant to section 15.1-07-27 after the 2012-13 school year. The reduction must be proportional to the number of weighted student units in the grades that are offered through another school district relative to the total number of weighted student units the school district offered in the year before the school district became an elementary district. The reduced baseline funding applies to the calculation of state aid for the first school year in which the school district becomes an elementary district and for each year thereafter. For districts that become an elementary district prior to the 2020-21 school year, the superintendent shall use the reduced baseline funding to calculate state aid for the 2020-21 school year and for each year thereafter.
- a. The superintendent shall divide the district's baseline funding determined in subsection 1 by the district's 2017-18 weighted student units to determine the district's baseline funding per weighted student unit.
 - b. For any school district that becomes an elementary district pursuant to section 15.1-07-27 after the 2017-18 school year, the superintendent shall adjust the district's baseline funding per weighted student unit used to calculate state aid. The superintendent shall divide the district's baseline funding determined in subsection 1 by the district's weighted student units after the school district becomes an elementary district to determine the district's adjusted baseline funding per weighted student unit. The superintendent shall use the district's adjusted baseline funding per weighted student unit in the calculation of state aid for the first school year in which the school district becomes an elementary district and for each year thereafter.

- 1 Beginning with the 2021-22 school year and for each school year thereafter, the C. 2 superintendent shall reduce the district's baseline funding per weighted student 3 unit. Each year the superintendent shall calculate the amount by which the 4 district's baseline funding per weighted student unit exceeds the payment per 5 weighted student unit provided in subsection 3. For the 2023-24 school year the 6 superintendent shall reduce the district's baseline funding per weighted student 7 unit by forty percent of the amount by which the district's baseline funding per 8 weighted student unit exceeds the payment per weighted student unit for the 9 2023-24 school year. For each year thereafter, the reduction percentage is 10 increased by an additional fifteen percent. However, the district's baseline funding 11 per weighted student unit, after the reduction, may not be less than the payment 12 per weighted student unit provided in subsection 3. 13 3. For the 2023-24 school year, the superintendent shall calculate state aid as the a. 14 greater of: 15 The district's weighted student units multiplied by ten thousand six hundred 16 forty-six dollars; 17 (2) One hundred two percent of the district's baseline funding per weighted 18 student unit, as established in subsection 2, multiplied by the district's 19 weighted student units, not to exceed the district's 2017-18 baseline 20 weighted student units, plus any weighted student units in excess of the 21 2017-18 baseline weighted student units multiplied by ten thousand 22 six hundred forty-six dollars; or 23 (3) The district's baseline funding as established in subsection 1 less the 24 amount in paragraph 1, with the difference reduced by forty percent and 25 then the difference added to the amount determined in paragraph 1. 26 For the 2024-25 school year and each school year thereafter, the superintendent b. 27 shall calculate state aid as the greater of: 28 The district's weighted student units multiplied by eleven thousand (1)
 - (2) One hundred two percent of the district's baseline funding per weighted student unit, as established in subsection 2, multiplied by the district's

seventy-two dollars;

1 weighted student units, not to exceed the district's 2017-18 baseline 2 weighted student units, plus any weighted student units in excess of the 3 2017-18 baseline weighted student units multiplied by eleven thousand 4 seventy-two dollars; or 5 The district's baseline funding as established in subsection 1 less the (3) 6 amount in paragraph 1, with the difference reduced by fifty-five percent for 7 the 2024-25 school year and the reduction percentage increasing by fifteen 8 percent each school year thereafter until the difference is reduced to zero, 9 and then the difference added to the amount determined in paragraph 1. 10 4. After determining the product in accordance with subsection 3, the superintendent of 11 public instruction shall: 12 Subtract an amount equal to sixty mills multiplied by the taxable valuation of the 13 school district; and 14 Subtract an amount equal to seventy-five percent of all revenue types listed in b. 15 subdivisions c and d of subsection 1. Before determining the deduction for 16 seventy-five percent of all revenue types, the superintendent of public instruction 17 shall adjust revenues as follows: 18 Tuition revenue shall be adjusted as follows: 19 In addition to deducting tuition revenue received specifically for the (a) 20 operation of an educational program provided at a residential 21 treatment facility, tuition revenue received for the provision of an adult 22 farm management program, tuition received for the education of 23 high-cost and special education students, and tuition received under 24 an agreement to educate students from a school district on an 25 air force base with funding received through federal impact aid as 26 directed each school year in paragraph 3 of subdivision c of 27 subsection 1, the superintendent of public instruction also shall reduce 28 the total tuition reported by the school district by the amount of tuition 29 revenue received for the education of students not residing in the 30 state and for which the state has not entered a cross-border education

contract; and

1		(b) The supe	rintendent of public instruction also shall reduce the total				
2		tuition rep	ported by admitting school districts meeting the requirements				
3		of subdivi	sion e of subsection 2 of section 15.1-29-12 by the amount				
4		of tuition	revenue received for the education of students residing in an				
5		adjacent	school district.				
6		(2) After adjusting	tuition revenue as provided in paragraph 1, the				
7		superintendent	shall reduce all remaining revenues from all revenue types				
8		by the subparag	raph a or b, if the district elects to use the amount of the				
9		reduction for ca	pital projects or capital debt repayment:				
10		(a) The perce	entage of mills levied in 2022 2024 by the school district for				
11		sinking ar	nd interest relative to the total mills levied in 20222024 by the				
12		school dis	strict for all purposes <u>; or</u>				
13		(b) The perce	entage of in lieu of revenue deducted in the state school aid				
14		formula re	elative to the sum of in lieu of revenue deducted in the state				
15		school aid	formula plus the amount deducted under subdivision a.				
16	5.	The amount remaining aft	er the computation required under subsection 4 is the				
17		amount of state aid to whi	ch a school district is entitled, subject to any other statutory				
18		requirements or limitations	3.				
19	6.	On or before June thirtieth of each year, the school board shall certify to the					
20		superintendent of public instruction the final average daily membership for the currer					
21		school year.					
22	7.	For purposes of the calculation in subsection 4, each county auditor, in collaboration					
23		with the school districts, shall report the following to the superintendent of public					
24		instruction on an annual basis:					
25		a. The amount of reven	ue received by each school district in the county during the				
26		previous school year	for each type of revenue identified in subdivisions c and d of				
27		subsection 1;					
28		b. The total number of	mills levied in the previous calendar year by each school				
29		district for all purpose	es; and				
30		c. The number of mills	levied in the previous calendar year by each school district				
31		for sinking and intere	et fund nurnoses: and				

- 1 <u>d.</u> <u>Which deduction the school district elects under paragraph 2 of subdivision b of </u>
- 2 <u>subsection 4</u>.
