- If approved by the board of a school district or nonpublic school, a school district or
   nonpublic school may develop:
  - <u>a.</u> <u>Develop</u> eligibility criteria or programmatic requirements to allow a passing score on the relevant portions of the GED assessment to receive credit for the corresponding requirements of subdivisions a through d of subsection 1.
  - <u>b.</u> Establish a policy to allow a student to receive credit for no more than one unit
    under subsection 1 for completing an alternative course, including an elective
    course or dual-credit course, if the student demonstrates an emergent
    circumstance.
