- 1 Beginning with the 2020-21 school year, the superintendent shall reduce the 2 baseline funding for any school district that becomes an elementary district 3 pursuant to section 15.1-07-27 after the 2012-13 school year. The reduction must-4 be proportional to the number of weighted student units in the grades that are 5 offered through another school district relative to the total number of weighted-6 student units the school district offered in the year before the school district 7 became an elementary district. The reduced baseline funding applies to the 8 calculation of state aid for the first school year in which the school district 9 becomes an elementary district and for each year thereafter. For districts that 10 become an elementary district prior to the 2020-21 school year, the 11 superintendent shall use the reduced baseline funding to calculate state aid for-12 the 2020-21 school year and for each year thereafter. 13 2. a. The superintendent shall divide the district's baseline funding determined in 14

The superintendent shall divide the district's baseline funding determined in subsection 1 by the district's weighted student units after the school district becomes an elementary district to determine the district's adjusted baselinefunding per weighted student unit. The superintendent shall use the district's adjusted baseline funding per weighted student unit in the calculation of state aidfor the first school year in which the school district becomes an elementarydistrict and for each year thereafter.
 - Beginning with the 2021-22 school year and for each school year thereafter, the superintendent shall reduce the district's baseline funding per weighted studentunit. 25				student unit, as established in subsection 2, multiplied by the district's
26				weighted student units, not to exceed the district's 2017-18 baseline
27				weighted student units, plus any weighted student units in excess of the
28				2017-18 baseline weighted student units multiplied by eleven thousand-
29				seventy-two dollars; or
30			(3)	The district's baseline funding as established in subsection 1 less the
