- 7           2. The Bank of North Dakota may bar a participating school or education service provider  
8           from the education savings account program if the administrator determines the  
9           participating school or education service provider has:

31           funds to support this program. These funds must provide an additional benefit to each

1 participating student's education savings account. If necessary to become eligible for  
2 the receipt of federal funds, the Bank of North Dakota, with consideration of advice  
3 provided by the superintendent of public instruction, shall adopt rules that supersede  
4 any conflicting law under this chapter.

11           nonpublic school or education service provider that accepts funds from an

16           the regulations necessary to enforce the requirements of the education savings
