Sixty-ninth Legislative Assembly of North Dakota

HOUSE BILL NO. 1519

Introduced by

Representatives Rohr, K. Anderson, Frelich, Holle, McLeod, Toman Senators Clemens, Paulson, Schaible, Van Oosting, Weston

- 1 A BILL for an Act to create and enact a new section to chapter 23-02.1 of the North Dakota
- 2 Century Code, relating to death and vaccination records.

3 BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:

4 SECTION 1. A new section to chapter 23-02.1 of the North Dakota Century Code is created
5 and enacted as follows:

5 and enacted as follows:

6 **Death and vaccination records.**

- 7 <u>1.</u> <u>The department of health and human services shall compile and maintain individual</u>
- 8 <u>death and vaccination records for each vaccine type for which there are records in the</u>
 9 North Dakota immunization information system.
- 10 <u>2.</u> For each individual appearing in the electronic death registration system and the North
- 11 Dakota immunization information system, the department shall record the following
- 12 information: unique identifying number, sex, race, date of birth, date of death, vaccine
- manufacturer, vaccine type, date of vaccination, dose number, lot number, vaccine
 provider, and vaccination location.
- 15 <u>3.</u> <u>Within thirty days of the end of each calendar quarter, the department of health and</u>
- 16 human services shall publish on its website a time-series summary report based on
- 17 <u>the individual death and vaccination records for each vaccine type that has been</u>
- 18 administered to more than twenty-thousand individuals in this state over the last
- 19 <u>quarter. The summary report shall:</u>
- 20 <u>a.</u> <u>Cover all qualifying vaccines administered in this state in the last two years.</u>
- 21 <u>b.</u> <u>Include the following index columns:</u>
 - (1) Month and year of administration;
- 23 <u>(2)</u> <u>Sex;</u>

22

24 <u>(3)</u> Birth year;

Sixty-ninth Legislative Assembly

1		<u>(4)</u>	Vaccine marker;
2		<u>(5)</u>	Vaccine type; and
3		<u>(6)</u>	Dose number.
4	<u>C.</u>	Include the following value columns:	
5		(1)	Total number of vaccines administered for the indexed cohort; and
6		<u>(2)</u>	Total number of deaths for the indexed cohort occurring within one, three,
7			seven, fourteen, twenty-one, and thirty days of the exact vaccination date
8			and continuing with columns reporting the total number of deaths for
9			additional thirty-day intervals through seven hundred twenty days since
10			vaccination, with the total deaths counted for each interval being cumulative
11			up to that period.
12	<u>d.</u>	<u>A re</u>	edaction may not be made for a low count unless the department of health and
13		<u>hun</u>	nan services is expressly notified of a privacy issue regarding the count.
