- 1 A BILL for an Act to create and enact a new chapter to title 15.1 of the North Dakota Century
- 2 Code, relating to the funding of kindergarten through grade twelve school construction; to
- 3 provide an appropriation; and to provide an expiration date.

4 BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:

- 5 **SECTION 1.** A new chapter to title 15.1 of the North Dakota Century Code is created and 6 enacted as follows:
- 7 <u>State-funded construction program Requirements for school district participation.</u>
- 1. To be eligible for state funding for new school construction under this section, a school
 district shall provide to the superintendent of public instruction a report, in the manner
 prescribed by the superintendent, demonstrating:
 - a. The cost of renovation of the school district's physical plant exceeds sixty percent of the cost for new construction.
 - b. For consideration for funding through June 30, 2026, a failed referendum for new school construction or renovation between July 1, 2021, and July 1, 2025.
 - c. For consideration for funding on July 1, 2026, or after, a failed referendum for new school construction or renovation that occurred after July 1, 2025.
 - d. The school district has or will obtain the funds required for the school district's percentage share of construction costs by any means permitted by law, including a referendum.
 - e. The school district's plan to sufficiently fund maintenance of the new building.

| 1 | | <u>f.</u> | An assessment of the school district's physical plant by an approved engineering |
|----|---|------------|---|
| 2 | ı | | firm, using a form developed by the superintendent of public instruction in |
| 3 | | | consultation with the architectural firm selected by the superintendent. |
| 4 | | g. | The assessment of the school district's physical plant by an approved |
| 5 | | | engineering firm demonstrates renovation or new school construction is an |
| 6 | | | immediate need. |
| 7 | <u>2.</u> | For | a school district qualifying for forty percent or more of costs of construction paid by |
| 8 | | <u>the</u> | state under this section, the school district shall use the approved state |
| 9 | | arc | hitectural design, unless the school district elects to receive twenty percent of the |
| 10 | | cos | ets of construction and select another architectural design according to the |
| 11 | | pro | visions of this chapter. |
| 12 | Reorganization waivers. | | |
| 13 | <u>The</u> | supe | erintendent of public instruction may waive any of the requirements under this |
| 14 | <u>chapter</u> | and | related rules for school districts reorganizing under chapter 15.1-12 to build a new |
| 15 | school. | | |
| 16 | <u>Fun</u> | ding | rates. |
| 17 | <u>1.</u> | Exc | cept as provided under subsection 2, the percentage of funding the state will |
| 18 | contribute to new school construction is determined by the value of a mill for each | | |
| 19 | | <u>sch</u> | ool district as described under this section. If the value of a mill is: |
| 20 | | <u>a.</u> | Less than five thousand dollars, the state shall pay ninety-five percent of the cost |
| 21 | | | of new school construction. |
| 22 | | <u>b.</u> | Five thousand dollars to ten thousand dollars, the state shall pay ninety percent |
| 23 | | | of the cost of new school construction. |
| 24 | | <u>C.</u> | More than ten thousand dollars and no more than fifteen thousand dollars, the |
| 25 | | | state shall pay eighty percent of the cost of new school construction. |
| 26 | | <u>d.</u> | More than fifteen thousand dollars and no more than twenty-five thousand |
| 27 | | | dollars, the state shall pay seventy percent of the cost of new school |
| 28 | | | construction. |
| 29 | | <u>e.</u> | More than twenty-five thousand dollars and no more than thirty-five thousand |
| 30 | | | dollars, the state shall pay sixty percent of the cost of new school construction. |

1 More than thirty-five thousand dollars and no more than fifty thousand dollars, the 2 state shall pay fifty percent of the cost of new school construction. 3 g. More than fifty thousand dollars and no more than sixty-five thousand dollars, the 4 state shall pay forty percent of the cost of new school construction. 5 More than sixty-five thousand dollars and no more than ninety-five thousand <u>h.</u> 6 dollars, the state shall pay twenty percent of the cost of new school construction. 7 More than ninety-five thousand dollars, the state shall pay five percent of the cost 8 of new school construction. 9 A school district eligible for federal funding for school construction may receive up to <u>2.</u> 10 twelve and one-half percent of the cost of new school construction under this chapter 11 after applying for and receiving federal funding. 12 Selection of architectural firm. 13 The superintendent of public instruction shall appoint five individuals to participate in 1. 14 an evaluation committee to select an architectural firm to perform the responsibilities 15 under this section. The committee must include a faculty member from the department 16 of architecture at North Dakota state university and a school district facility manager 17 from a school district with more than five thousand students. 18 <u>2.</u> To be considered for the architectural design program under this section, an 19 architectural firm shall apply to the superintendent of public instruction in the manner 20 prescribed by the superintendent. The evaluation committee shall give priority to firms 21 with: 22 A committed presence in the state, including at least seventy percent of firm a. 23 employees residing in the state and seventy-five percent of the firm's revenue 24 derived from in-state work. 25 A successful portfolio of kindergarten through grade twelve construction projects, <u>b.</u> 26 including at least five projects successfully completed in the last ten years. 27 Innovation, including environments created for specific curriculum and anticipated <u>C.</u> 28 educational trends. 29 Positive in-state references. d. 30 Demonstrated cost-saving strategies and fiscal responsibility. <u>e.</u>
