

Introduced by

Human Services Committee

(At the request of the Department of Health and Human Services)

1 A BILL for an Act to amend and reenact sections 50-10.2-01, 50-10.2-02, 50-10.2-02.1, and  
2 50-10.2-05 of the North Dakota Century Code, relating to the rights of health care facility  
3 residents.

4 **BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:**

5 **SECTION 1. AMENDMENT.** Section 50-10.2-01 of the North Dakota Century Code is  
6 amended and reenacted as follows:

7 **50-10.2-01. Definitions.**

8 In this chapter, unless the context or subject matter otherwise requires:

- 9 1. "Authorized electronic ~~monitoring~~recording" means the placement and use of an  
10 authorized electronic ~~monitoring~~recording device, by a resident or resident  
11 representative, in the resident's room.
- 12 2. "Authorized electronic ~~monitoring~~recording device" means ~~video surveillance cameras,~~  
13 ~~monitoring devices, web-based cameras, video phones, or audio recording or~~  
14 ~~transmitting devices, or a combination of these devices,~~a device that is installed in the  
15 room of a resident which ~~are designed to acquire, transmit, broadcast, interact, or is~~  
16 intended to record or is recording and transmitting video, communications, or other  
17 sounds occurring in the room. ~~The term does not include still cameras or devices used~~  
18 ~~for the purpose of the resident having contact with another person but not for the~~  
19 ~~purpose of electronically monitoring a resident.~~
- 20 3. "Conflict of interest" means any type of ownership in a facility or membership on the  
21 governing body of a facility by a provider of goods or services to that facility or by a  
22 member of that individual's immediate family.
- 23 4. "Department" means the department of health and human services.

- 1           5. "Facility" means a skilled nursing care facility, basic care facility, assisted living facility,  
2           or swing-bed hospital approved to furnish long-term care services.
- 3           6. "Immediate family" means husband, wife, father, mother, brother, sister, son, daughter,  
4           father-in-law, mother-in-law, brother-in-law, sister-in-law, son-in-law, daughter-in-law,  
5           stepchild, uncle, aunt, niece, nephew, or grandchild.
- 6           7. "Remodeling" means any alteration in structure, refurbishing, or repair that would:  
7           a. Prevent the facility staff from providing customary and required care; or  
8           b. Seriously endanger or inconvenience any resident with noise, dust, fumes,  
9           inoperative equipment, or the presence of remodeling workers.
- 10          8. "Resident" means an individual residing in a facility.
- 11          9. "Resident representative" means a person authorized to act as a resident's agent  
12          under power of attorney for health care or guardianship.
- 13          10. "Technology device" means a device capable of remote audio or video  
14          communications which is used for the purpose of the resident having contact with  
15          another person but not for the purpose of virtual monitoring or recording audio or video  
16          of a resident and the resident's room. A technology device includes a cellular mobile  
17          telephone used primarily for telephonic communication, an electronic tablet not used  
18          for virtual monitoring or recording, and an assistive communication device.
- 19          11. "Virtual monitoring" means remote live action monitoring conducted without recording  
20          of a resident by a third party via the placement and use of a virtual monitoring device  
21          in the resident's room.
- 22          12. "Virtual monitoring device" means a device owned and operated by the resident or  
23          resident representative placed in the resident's room which allows live action  
24          monitoring without recording of a resident by a third party.
- 25          13. "Virtual visitation" means remote visitation between a resident and another individual  
26          using a technology device.

27           **SECTION 2. AMENDMENT.** Section 50-10.2-02 of the North Dakota Century Code is  
28 amended and reenacted as follows:

29           **50-10.2-02. Residents' rights - Implementation.**

- 30           1. All facilities shall, upon a resident's admission, provide in hand to the resident and a  
31           member of the resident's immediate family or ~~any existing legal guardian of the~~

1 resident representative a statement of the resident's rights during the admission  
2 process and while living in the facility. Within ~~thirty~~fourteen days after admission, the  
3 statement must be orally explained to the resident and, if the resident is unable to  
4 understand, to the resident's immediate family member ~~or members~~ and ~~any existing~~  
5 ~~legal guardian of~~ the resident representative, and thereafter annually so long as the  
6 resident remains in the facility. The statement must include rights, responsibilities of  
7 both the resident and the facility, and the facility rules governing resident conduct.

8 ~~Facilities~~A facility shall treat ~~residents~~a resident in accordance with provisions of the  
9 statement. The statement must include provisions ensuring each resident the following  
10 minimum rights:

- 11 a. The right to civil and religious liberties, including knowledge of available choices,  
12 the right to independent personal decisions without infringement, and the right to  
13 encouragement and assistance from the staff of the facility to promote the fullest  
14 possible exercise of these rights.
- 15 b. The right to have private meetings, associations, and communications with any  
16 person of the resident's choice ~~within the facility~~.
- 17 c. The right to have full access to the community, unless otherwise indicated  
18 through the care planning process.
- 19 ~~d.~~ The right of each resident, the resident's immediate family, ~~any existing legal~~  
20 ~~guardian of~~ the resident representative, friends, facility staff, and other persons to  
21 present complaints on the behalf of the resident to the facility's staff, the facility's  
22 administrator, governmental officials, or to any other person, without fear of  
23 reprisal, interference, coercion, discrimination, or restraint. ~~The facility shall adopt~~  
24 ~~a grievance process and make the process known to each resident and, if the~~  
25 ~~resident is unable to understand, to the resident's immediate family member or~~  
26 ~~members and any existing legal guardian of the resident. An individual making a~~  
27 ~~complaint in good faith is immune from any civil liability that otherwise might~~  
28 ~~result from making the complaint.~~
- 29 ~~d.e.~~ The right to send and receive unopened personal mail and electronic mail and  
30 the right of access to and use of telephones and electronic devices for private  
31 conversations.

- 1 e-f. The right to assured private visits, subject to restrictions to protect the health or  
2 safety of the resident, by one's spouse, partner, or significant other, or if both are  
3 residents of the same facility, the right to share a room, within the capacity of the  
4 facility, unless sharing a room is not medically advisable as documented in the  
5 medical records by the attending physician.
- 6 f-g. The right to manage one's own financial affairs if not under legal guardianship, or  
7 to delegate that responsibility in writing to the administrator or manager of the  
8 facility, but only to the extent of funds held in trust by the facility for the resident. ~~If~~  
9 ~~such a trust is established, then a written quarterly accounting of any transactions~~  
10 ~~made on behalf of the resident must be furnished along with an explanation by~~  
11 ~~the facility to the resident or the person legally responsible for the resident.~~
- 12 g-h. The right to be fully informed in writing prior to or at the time of admission and  
13 during one's stay, of services provided and the charges for those services,  
14 including ancillary charges. ~~Residents, or their legal guardians, must be informed~~  
15 ~~at least thirty days prior to any change in the costs or availability of the services.~~  
16 ~~No facility may demand or receive any advance payment or gratuity to assure~~  
17 ~~admission; and information regarding the billing system and processes.~~
- 18 h-i. The right to be adequately informed of one's medical condition and proposed  
19 treatment and to participate in the planning of all medical treatment, including the  
20 right to refuse medication and treatment, to be discharged from the facility upon  
21 written request, and to be notified by the resident's attending physician of the  
22 medical consequences of any such actions.
- 23 i-j. ~~The right to have privacy in treatment and in caring for personal needs, to use~~  
24 ~~personal belongings, to have security in storing and using personal possessions,~~  
25 and to have confidentiality in the treatment of personal and medical records. ~~The~~  
26 ~~resident has the right to view, and authorize release of, any personal or medical~~  
27 ~~records.~~
- 28 j-k. The right to use personal belongings and to have security in storing and using  
29 personal possessions.
- 30 l. The right to be treated courteously, fairly, and with the fullest measure of dignity.

- 1           ~~k.m.~~   The right to be free from mental and physical abuse, neglect, and financial  
2                   exploitation, and the right to be free from physical or chemical restraint except in  
3                   documented emergencies or when necessary to protect the resident from injury  
4                   to self or to others. ~~In such cases, the restraint must be authorized and~~  
5                   ~~documented by a physician for a limited period of time and, if the restraint is a~~  
6                   ~~chemical one, it must be administered by a licensed nurse or physician. Except~~  
7                   ~~as provided in this subdivision, drugs or physical restraints may not be used or~~  
8                   ~~threatened to be used for the purposes of punishment, for the convenience of~~  
9                   ~~staff, for behavior conditioning, as a substitute for rehabilitation or treatment, or~~  
10                  ~~for any other purpose not part of an approved treatment plan.~~
- 11           ~~l.n.~~    The right not to be transferred or discharged except for:
- 12                   (1)   Medical reasons;
- 13                   (2)   The resident's welfare or ~~that of other residents~~ if the safety of an individual  
14                               in the facility is endangered due to the clinical or behavioral status of the  
15                               resident;
- 16                   (3)   Nonpayment of one's rent or fees; ~~or~~
- 17                   (4)   A temporary transfer during times of remodeling; or
- 18                   (5)   The facility ceases to operate.
- 19           ~~m.o.~~    The right to receive at least a thirty-day written advance notice of any transfer or  
20                   discharge when the resident is being discharged to another facility or the  
21                   resident's own home, or when the resident is being transferred or discharged  
22                   because of a change in the resident's level of care; however, advance notice of  
23                   transfer or discharge may be less than thirty days if the resident has urgent  
24                   medical needs that require a more immediate transfer or discharge, or a more  
25                   immediate transfer or discharge is required to protect the health and safety of  
26                   residents and staff within the facility.
- 27           ~~n.p.~~    The right to refuse to perform services on behalf of the facility, unless agreed to  
28                   by the resident or legal guardian and established in the plan of care.
- 29           ~~o.q.~~    The right to a claim for relief against a facility for any violation of rights  
30                   guaranteed under this chapter.

- 1           p-r. The right to have each facility display a notice that the following information is  
2           available for public review and make the information available on request:
- 3           (1) A complete copy of every inspection report, deficiency report, and plan of  
4           correction the facility received during the previous ~~two~~three years.
- 5           (2) The facility's grievance process.
- 6           (3) A copy of the statement of ownership, board membership, and partners.
- 7           (4) A statement of ownership setting forth any conflict of interest in the  
8           operation of the facility.
- 9           q-s. The right to a pharmacist of the resident's choice irrespective of the type of  
10          medication distribution system used by the facility, and to not be charged a fee or  
11          receive a financial incentive or disincentive for choosing a pharmacy other than  
12          the facility's preferred pharmacy. The resident may not be charged for  
13          repackaging if that cost can be included in the facility rate or on the facility cost  
14          report.
- 15          t. The right of the resident to choose an attending physician.
- 16          r-u. The right to not be discriminated against by a facility in the admissions process or  
17          in the provision of appropriate care on the basis of the resident's source of  
18          payment to the facility. ~~Any applicant for admission to a facility who is denied~~  
19          ~~admission must be given the reason for the denial in writing upon request.~~
- 20          s-v. The right of residents and their families to organize, maintain, and participate in  
21          resident advisory and family councils.
- 22          t-w. The right of residents receiving services performed by a provider from outside the  
23          facility to be informed, on request, of the identity of the provider.
- 24          2. If there is a change in the resident rights, laws, or regulations, the facility shall  
25          promptly notify the resident, and, if the resident is unable to understand, a member of  
26          the resident's immediate family or the resident representative.
- 27          3. The transfer and discharge actions taken by a facility:
- 28               a. Must include a written transfer or discharge notice issued by the facility which  
29               includes:
- 30               (1) The reason for the transfer or discharge.
- 31               (2) The effective date of transfer or discharge.

- 1           (3) The location the resident is to be transferred or discharged to.
- 2           (4) The name, mailing and electronic mail address, and telephone number of  
3           the office of the state long-term care ombudsman.
- 4        b. Must comply with the following terms and conditions:
- 5           (1) The discharge location may not be a hospital location unless a bed hold has  
6           been declined or the failure to discharge or transfer would endanger the  
7           health or safety of the resident or other individuals in the facility. The facility  
8           shall document the danger that failure to transfer or discharge would pose.
- 9           (2) The discharge location may not be a nonpermanent location, including a  
10          homeless shelter or motel room, unless the resident has stated that a  
11          nonpermanent location is their choice of discharge location and that  
12          preference is documented in the resident's chart.
- 13          (3) Provide discharge planning for a safe and orderly discharge, which includes  
14          planning with the resident on preferences of location to move to and  
15          assisting with securing admission to a facility if needed.
- 16          (4) Provide and document sufficient preparation and orientation to the resident,  
17          the resident representative, or the resident's immediate family to ensure  
18          safe and orderly transfer or discharge from the facility. The orientation must  
19          be provided in a form and manner the resident, resident representative, or  
20          immediate family can understand.
- 21          (5) Provide a copy of the notice to the office of the state long-term care  
22          ombudsman.
- 23          (6) If a facility determines a resident who was transferred with an expectation of  
24          returning to the facility cannot return to the facility, the facility shall comply  
25          with the requirements of subdivisions n and o of subsection 1 and this  
26          subsection regarding discharge.
- 27        4. A facility shall inform the resident if the facility determines the physician chosen by the  
28        resident is unable or unwilling to assure provision of appropriate and adequate care  
29        and treatment. The facility shall discuss alternative physician participation with the  
30        resident and honor the resident's preferences, if any, among options. If the resident  
31        subsequently selects another attending physician, the facility shall honor that choice.

- 1       5. The facility shall provide the resident, and a member of the resident's immediate family  
2       or the resident representative, a written statement before admission identifying the  
3       level of licensed long-term care to which the resident will be admitted. The facility also  
4       shall disclose and provide to a resident or potential resident, resident representative,  
5       or immediate family member before admission, notice of special characteristics or  
6       service limitations of the facility.
- 7       6. The facility shall protect the resident from retaliation. The facility shall adopt a  
8       grievance process and make the process known to each resident, the resident's  
9       immediate family member, and the resident representative. A person making a  
10      complaint in good faith is immune from any civil liability that otherwise might result  
11      from making the complaint.
- 12      7. If a trust is established by the facility to hold the resident's funds, the facility shall  
13      provide to the resident, resident representative, or an agent under a power of attorney  
14      for financial decisions a written quarterly accounting of any transactions made on  
15      behalf of the resident which includes an explanation of the transactions by the facility.  
16      The facility shall pay out in full, within thirty days, the resident's personal funds  
17      deposited with the facility or refunds due to the resident upon discharge or eviction,  
18      and provide a final accounting of those funds to the resident, or in the case of death, in  
19      accordance with state law. Other refunds due to the resident upon discharge, eviction,  
20      or death must be paid out in full within thirty days from the resident's date of discharge  
21      from the facility.
- 22      8. The facility shall inform a resident, resident representative, an agent under a power of  
23      attorney for financial decisions, or immediate family member, at least thirty days before  
24      any change in the costs or availability of the services. A facility may not demand or  
25      receive advance payment or gratuity to assure admission or for the resident to be  
26      placed on a waiting list for admission.
- 27      9. A resident and the resident representative may view and authorize release of any  
28      personal or medical records.
- 29      10. The use of a physical or chemical restraint in an emergency or when necessary to  
30      protect the resident from injury to self or others must be authorized and documented  
31      by a physician for a limited period of time. A chemical restraint must be administered

1           by a licensed nurse or physician. Except as provided in this subsection, a drug or  
2           physical restraint may not be used or threatened to be used for the purpose of  
3           punishment, for the convenience of staff, for behavior conditioning, as a substitute for  
4           rehabilitation or treatment, or for any other purpose not included in an approved  
5           treatment plan.

6        11. Upon request, a facility shall provide an applicant for admission to a facility who is  
7           denied admission the reason for the denial in writing. The facility shall note in the  
8           written denial when the denial is based on the special characteristics or service  
9           limitations of the facility.

10       12. A facility shall ensure a resident council meeting is attended by residents only or at the  
11           invitation of a resident.

12       13. Waiver of any of the rights guaranteed by this chapter may not be made a condition of  
13           admission to a facility or ongoing residence.

14       ~~3-14.~~ Each facility shall prepare a written plan and provide staff training to implement this  
15           chapter.

16       4-15. The department shall develop and coordinate with the facility licensing and regulatory  
17           agencies a relocation plan in the event a facility is decertified or unlicensed.

18       **SECTION 3. AMENDMENT.** Section 50-10.2-02.1 of the North Dakota Century Code is  
19       amended and reenacted as follows:

20       **50-10.2-02.1. Authorized electronic monitoring - Penalty.**

21       1. A resident and the resident representative may treat the resident's living quarters as  
22           the resident's home and, subject to rules to protect the privacy and safety of another  
23           resident, may purchase and use a technology device of the resident's choice,  
24           including a technology device that may facilitate virtual monitoring or virtual visitation  
25           with family and other persons, provided operation and use of the technology device  
26           does not violate an individual's right to privacy under state or federal law. The resident  
27           and the resident representative may not record virtual monitoring and virtual visitation.

28       2. A resident may use a device of the resident's choice that facilitates virtual monitoring,  
29           provided:

30       a. The purchase, activation, installation, maintenance, repair, deactivation, and  
31           removal of such device is at the expense of the resident; and

1            b. The device and any images obtained from the device are used by the resident  
2            and any person communicating with the resident in a manner that does not  
3            violate an individual's right to privacy under state or federal law.

4            3. A facility shall permit a resident or the resident representative to conduct authorized  
5            electronic monitoringrecording of the resident's room through an authorized electronic  
6            monitoringrecording device if:

7            a. The authorized electronic monitoringrecording device is placed in the resident's  
8            room;

9            b. The electronic monitoringrecording device is placed in a fixed, stationary position;  
10           monitorsrecords only the area occupied by the resident and not the area  
11           occupied by the resident's roommate; and protects the privacy and dignity of the  
12           resident;

13           c. The facility is given written notice of the placement and use which must include  
14           an installation plan in compliance with the facility's standards and regulations the  
15           facility providesshall provide to the resident;

16           d. A video tape or recording created using an authorized electronic  
17           monitoringrecording device records the date and time;

18           e. All costs, except for electricity, associated with the authorized electronic  
19           monitoringrecording device, including installation, operation, removal, repairs,  
20           room damage, and maintenance, are paid by the resident or resident  
21           representative who initiated the use of the authorized electronic  
22           monitoringrecording device; and

23           f. A signed authorization for the disclosure of protected health information, as  
24           defined by title 45, Code of Federal Regulations, part 160, section 103, compliant  
25           with the federal Health Insurance Portability and Accountability Act of 1996 [Pub.  
26           L. 104-191; 110 Stat. 1936; 29 U.S.C. 1181 et seq.] and consenting to the use of  
27           the device is given by each resident occupying the same room, or by that  
28           resident's resident representative in accordance with subsection 46.

29           2.4. A facility that usesallows the use of an authorized electronic monitoringrecording  
30           device or a virtual monitoring device in compliance with this chapter is not guilty of a  
31           crime or civilly liable under this code for a violation of a resident's privacy.

- 1     ~~3-5.~~ The facility shall cooperate to accommodate the placement of the authorized  
2            electronic ~~monitoring~~recording device, unless doing so would place undue burden on  
3            the facility.
- 4     ~~4-6.~~ Before placing and using the authorized electronic ~~monitoring~~recording device or  
5            virtual monitoring device, a resident or resident representative shall obtain the signed  
6            authorization of any other resident residing in the room in accordance with  
7            subsection ~~4-3~~. The authorization may be signed by that resident's resident  
8            representative.
- 9            a. The resident's or the resident representative's authorization may limit the use of  
10            an authorized electronic ~~monitoring~~recording device to only audio  
11            ~~monitoring~~recording or only video ~~monitoring~~recording and may limit the device's  
12            time of operation, direction, and focus.
- 13           b. At any time, a resident or resident representative who did not request the  
14            authorized electronic ~~monitoring~~recording device in the resident's room may  
15            withdraw, in writing, the signed authorization for the use of the device. The  
16            resident who requested the device or the resident's resident representative is  
17            responsible for having the device disabled in compliance with the facility's  
18            standards and regulations after receipt of the written withdrawal.
- 19     ~~5-7.~~ The facility shall make a reasonable attempt to accommodate a resident if a resident  
20            or resident representative of a resident who is residing in a shared room wants to have  
21            an authorized electronic ~~monitoring~~recording device placed in the room and another  
22            resident living in the same shared room refuses to authorize the use of the authorized  
23            electronic monitoring device.
- 24     ~~6-8.~~ If authorized electronic ~~monitoring~~recording is being conducted in the room of a  
25            resident, and another resident will be moved into the room, the resident who  
26            requested the device or the resident's resident representative is responsible for having  
27            the existing authorized electronic ~~monitoring~~recording device disabled in compliance  
28            with the facility's standards and regulations unless the new resident or the resident's  
29            resident representative authorizes the device pursuant to subsections ~~4-3~~ and ~~4-6~~.
- 30     ~~7-9.~~ A facility may not refuse to admit an individual and may not remove a resident from a  
31            facility because of authorized electronic ~~monitoring~~recording of a resident's room. A

1 person may not intentionally retaliate or discriminate against a resident for  
2 authorization of authorized electronic ~~monitoring~~recording.

3 ~~8-10.~~ A facility clearly and conspicuously shall post a sign where authorized electronic  
4 ~~monitoring~~recording is being conducted to alert and inform visitors.

5 ~~9-11.~~ A facility or staff of the facility may not access any video or audio recording created  
6 through an authorized electronic ~~monitoring~~recording device placed in a resident's  
7 room without the written consent of the resident or resident representative or court  
8 order.

9 ~~10-12.~~ ~~A person~~An individual that intentionally hampers, obstructs, tampers with, or destroys  
10 a recording or an authorized electronic ~~monitoring~~recording device or virtual  
11 monitoring device placed in a resident's room, without the express written consent of  
12 the resident or resident representative, is subject to a class B misdemeanor. ~~A-~~  
13 ~~person~~An individual that places an electronic ~~monitoring~~recording device in the room  
14 of a resident or which uses or discloses a tape or other recording made by the device  
15 may be guilty of a crime or civilly liable for any unlawful violation of the privacy rights of  
16 another. In any civil proceeding, administrative proceeding, or survey process, material  
17 obtained through the use of an authorized electronic ~~monitoring~~recording device may  
18 not be used if ~~a person~~an individual intentionally hampered, obstructed, or tampered  
19 with the material without the express written consent of the resident or resident  
20 representative, or if the material was obtained through the operation of an electronic  
21 ~~monitoring~~recording device which was not compliant with this section.

22 ~~11-13.~~ A person may not intercept a communication or disclose or use an intercepted  
23 communication of an authorized electronic ~~monitoring~~recording device or a virtual  
24 monitoring device placed in a resident's room, without the express written consent of  
25 the resident or the resident representative.

26 **SECTION 4. AMENDMENT.** Section 50-10.2-05 of the North Dakota Century Code is  
27 amended and reenacted as follows:

28 **50-10.2-05. Furnishing financial information.**

29 A facility may request that an applicant for admission, a resident of the facility, or the  
30 applicant's or resident's legal representative furnish financial information regarding income and  
31 assets, including information regarding any transfers or assignments of income or assets. A

Sixty-ninth  
Legislative Assembly

- 1 facility may deny admission to an applicant for admission who is unable to verify a viable
- 2 payment source. The facility shall inform the resident in writing if the inability to verify a viable
- 3 payment source is the reason for denial of admission.
