17 credit union subject to its jurisdiction and upon a financial corporation, financial
18 institution, or credit union involved, an order stating:

19 a. That the current or former officer, director, or employee is engaging, or has

4 the conduct of the affairs of a financial corporation, financial institution, credit
5 union, or any other entity licensed by the department of financial institutions.
- 6 2. The order must contain a notice of opportunity for hearing pursuant to chapter 28-32.
7 The date for the hearing must be set not less than thirty days after the date the
8 complaint is served upon the current or former officer, director, or employee of a
9 financial corporation, financial institution, credit union, or any other entity licensed by
10 the department of financial institutions. The current or former officer, director, or
11 employee may waive the thirty-day notice requirement.
- 12 3. If no hearing is requested within twenty days of the date the order is served upon the
13 current or former officer, director, or employee, the order is final. If a hearing is held
14 and the board finds that the record so warrants, it may enter a final order. The final
15 order suspending or removing the current or former officer, director, or employee is
16 final. ~~The current or former officer or employee may request a termination of the final
17 order after a period of no less than three years.~~
- 18 4. A contested or default suspension or removal order is effective immediately upon
19 issuance on the current or former officer, director, or employee and upon a financial
20 corporation, financial institution, or credit union. A consent order is effective as agreed.

30 trust, the commissioner may immediately suspend the person from office or prohibit
31 the person from any further participation in a financial corporation's, financial

1 institution's, or credit union's affairs. The order is effective immediately upon issuance
2 of the order on a financial corporation, financial institution, or credit union and the
3 person charged, and remains in effect until the criminal charge is finally disposed of or
4 until modified by the board. If a judgment of conviction, a federal pretrial diversion,
5 conviction or agreement to plea to lesser charges, or similar state order or judgment is
6 entered, the board or commissioner may order that the suspension or prohibition be
7 made permanent. A finding of not guilty or other disposition of the charge does not
8 preclude the commissioner or the board from pursuing administrative or civil remedies.

9 7. The commissioner or board may issue upon a current or former officer, director,
10 employee, or other person participating in the conduct of the affairs of a financial
11 corporation, financial institution, or credit union an order permanently suspending and

7 engaging in the conduct which was the subject of the complaint and hearing and to
8 take corrective action.

9 4. The commissioner or the board may enter an emergency, temporary cease and desist

21 factual basis used to issue the emergency, temporary cease and desist order. The
22 decision made by the board during this hearing will be final. If a hearing is not
