This bill allows money that is left over from the appropriation in Sec. 17 of SB 2284 from the 2023 session, which expanded eligibility for free school meals, to be used during the 2025-2027 biennium as grants to schools to pay for delinquent meal debt.

Identify and provide a brief description of the sections of the measure which have fiscal impact. Include any assumptions and comments relevant to the analysis.

Section 1 of the bill allows money that is left over from the appropriation in Sec. 17 of SB 2284 from the 2023 session, which expanded eligibility for free school meals, to be used during the 2025-2027 biennium as grants to schools to pay for delinquent meal debt.

5 - Revenues Detail

For information shown under state fiscal effect in 1 or 2, please explain the revenue amounts. Provide detail, when appropriate, for each revenue type and fund affected and any amounts included in the executive budget.

This bill creates no additional revenue.

6 - Expenditures Detail

For information shown under state fiscal effect in 1 or 2, please explain the expenditure amounts. Provide detail, when appropriate, for each agency, line item, and fund affected and the number of FTE positions affected.

It is currently estimated that approximately \$2,000,000 of the appropriation in Sec. 17 of SB 2284 of the 2023 legislative session will be available at the conclusion of the 2023-2025 biennium. Therefore, we anticipate that this is the amount that will be available to grant to schools to pay delinquent meal debt.

7 - Appropriations Detail

For information shown under state fiscal effect in 1 or 2, please explain the appropriation amounts. Provide detail, when appropriate, for each agency and fund affected. Explain the relationship between the amounts shown for expenditures and appropriations. Indicate whether the appropriation or a part of the appropriation is included in the executive budget or relates to a continuing appropriation.

There is no additional appropriation in the bill other than what is remaining from the appropriation in Sec. 17 of SB 2284 of the 2023 legislative session.
