**3 - Bill and Fiscal Impact Summary**

*Provide a brief summary of the measure, including description of the provisions having fiscal impact (limited to 300 characters).*

This bill provides for annual legislative sessions.

**4 - Fiscal Impact Sections Detail**

*Identify and provide a brief description of the sections of the measure which have fiscal impact. Include any assumptions and comments relevant to the analysis.*

This bill provides for annual legislative sessions beginning in January 2027. Each annual session may not exceed 70 calendar days.

## 5 - Revenues Detail

*For information shown under state fiscal effect in 1 or 2, please explain the revenue amounts. Provide detail, when appropriate, for each revenue type and fund affected and any amounts included in the executive budget.*

## 6 - Expenditures Detail

*For information shown under state fiscal effect in 1 or 2, please explain the expenditure amounts. Provide detail, when appropriate, for each agency, line item, and fund affected and the number of FTE positions affected.*

For the 2025-27 biennium, there would be one-time savings because the legislative session in 2027 would be shorter; however, ongoing expenses beginning in the 2027-29 biennium would increase because the Legislative Assembly would meet for more calendar days with 2 annual sessions rather than 1 biennial session each biennium. The Legislative Assembly budget includes 119 calendar days for the 2027 regular session. The estimates used for the annual sessions are 67 calendar days each.

## 7 - Appropriations Detail

*For information shown under state fiscal effect in 1 or 2, please explain the appropriation amounts. Provide detail, when appropriate, for each agency and fund affected. Explain the relationship between the amounts shown for expenditures and appropriations. Indicate whether the appropriation or a part of the appropriation is included in the executive budget or relates to a continuing appropriation.*
