**3 - Bill and Fiscal Impact Summary**

*Provide a brief summary of the measure, including description of the provisions having fiscal impact (limited to 300 characters).*

SB 2261 creates a prison industries workforce development income tax credit.

**4 - Fiscal Impact Sections Detail**

*Identify and provide a brief description of the sections of the measure which have fiscal impact. Include any assumptions and comments relevant to the analysis.*

Section 1 of SB 2261 would create a nonrefundable income tax credit for primary sector businesses for up to ten percent of the cost incurred on components of final manufactured products for which the taxpayer subcontracted labor provided by prison industries for the purpose of workforce development of inmates. The aggregate amount of credits per calendar year may not exceed forty-five thousand dollars. However, if the aggregate amount of credits claimed is less than the allowable credit amount, remaining unclaimed credits may be carried forward to the next calendar year. If the aggregate amount of credits claimed is greater than the available amount, the credit would be

prorated among the claimants.

While the potential fiscal impact is \$90,000 per biennium of a reduction in revenue, the actual fiscal impact cannot be determined due to unknown variables surrounding taxpayer behavior, including the number of taxpayers and total amount of credits that will be claimed.
