**SUMMARY OF ACTUARIAL INFORMATION**

**BILL NO: HB 1060**

**BILL DESCRIPTION: Extending Presumption Coverage to Correctional Officers of ND Dept of Corrections**

**SUMMARY OF ACTUARIAL INFORMATION:** Workforce Safety & Insurance, together with its consulting actuaries, The Burkhalter Group, has reviewed the legislation proposed in this bill in conformance with Section 54-03-25 of the North Dakota Century Code.

The proposed legislation extends the presumption of compensability for certain conditions, that currently exists for full-time paid law enforcement and paid firefighter personnel, to correctional officers employed by the North Dakota Department of Corrections.

**Rate Level Impact:** WSI anticipates that with the expanded presumptive coverage the proposed legislation will act to increase costs for rate class 7720, which is used in establishing premiums for coverage provided to law enforcement and correctional officers. Assuming the exposure to presumptive claims for correctional officers employed by ND Department of Corrections is similar to that of the current presumptive law enforcement officer, we would estimate rates for the 7720 class to increase between 3.5% and 5.0% resulting in higher workers compensation premiums for the governmental entities and others that fall within this class.
