28 **administration.**

29 1. The Bank of North Dakota shall administer a medical facility infrastructure loan
30 program to provide loans to medical facilities to conduct construction that improves the
31 health care infrastructure in the state or improves access to existing nonprofit health

1 care providers in the state. The construction project may include land purchases and
2 may include purchase, lease, erection, or improvement of any structure or facility to
3 the extent the governing board of the health care facility has the authority to authorize
4 such activity.

5 2. In order to be eligible under ~~this~~the medical facility infrastructure loan program, the
6 applicant must be the governing board of the health care facility which shall submit an
7 application to the Bank. The application must:

- 8 a. Detail the proposed construction project, which must be a project of at least one
9 million dollars and which is expected to be utilized for at least thirty years;
- 10 b. Demonstrate the need and long-term viability of the construction project; and
- 11 c. Include financial information as the Bank may determine appropriate to determine
12 eligibility, such as whether there are alternative financing methods.

13 3. A medical facility infrastructure loan provided under this section:

- 14 a. May not exceed the lesser of fifteen million dollars or seventy-five percent of the
15 actual cost of the project;
- 16 b. Must have an interest rate equal to two percent; and
- 17 c. Must provide a repayment schedule of no longer than twenty-five years.

18 4. A recipient of a medical facility infrastructure loan under this section shall complete the
19 financed construction project within twenty-four months of approval of the loan. Failure
20 to comply with this subsection may result in forfeiture of the entire loan received under
21 this section.

22 5. The Bank shall administer a rural health loan program to provide short-term gap
23 financing to grant recipients under the federal rural health transformation program with
24 approved projects and a demonstrated financial need.

25 a. To be eligible for a rural health loan under this subsection, the applicant:

- 26 (1) Must be approved for a grant by the department of health and human
27 services and the centers for Medicare and Medicaid services, as applicable,
28 under the federal rural health transformation program based on policies
29 developed by the department of health and human services.

- 30 (2) Provide information as requested by the Bank, including information
31 substantiating a demonstrated financial need and evidence of project

1 approval from the department of health and human services under the
2 federal rural health transformation program.

3 b. A loan under this subsection must have:

4 (1) An annual interest rate that does not exceed two percent;
5 (2) A term that complies with the criteria established by the department of
6 health and human services, in accordance with the federal rural health
7 transformation program, and does not exceed three years.

8 c. From the repayment of loans under this subsection, the principal portion must be
9 used to replenish the Bank's profits which were transferred to the fund for the
10 loans under this program, and interest portion must be deposited in the fund.

11 6. The medical facility infrastructure loan fund is a special fund in the state treasury. This
12 fund is a revolving fund. All moneys transferred into the medical facility infrastructure-
13 fund, interest on moneys in the fund, and collections of principal and interest on loans
14 from the fund are appropriated to the Bank on a continuing basis for the purpose of
15 providing loans under this section.

16 6. Funds in the medical facility infrastructure

17 7. Moneys in the fund may be used for loans as provided under this section and to pay
18 the costs of administration of the fund. Annually, the Bank may deduct a service fee for
19 administering the medical facility infrastructure fund maintained under this section.

20 7.8. The medical facility infrastructure fund must be audited in accordance with section
21 6-09-29. The cost of the audit and any other actual costs incurred by the Bank on
22 behalf of the fund must be paid from the fund.

23 8.9. The Bank shall deposit medical facility infrastructure loan repayment funds
24 in the medical facility infrastructure fund.

25 **SECTION 7. APPLICATION - EXEMPTION - FEDERAL RURAL HEALTH**

26 **TRANSFORMATION PROGRAM.**

27 1. Section 54-27-12 does not apply to the erection or improvement of any public building
28 or structure or the purchase of real property utilizing funding appropriated in section 1
29 of this Act.
