**Subject:** Parks Language - HB 1019

Representative Martinson,

Based on our conversation, here is what I have as your language you might propose during the conference committee meeting on HB 1019:

\$4.5 million for an outdoor recreation grant to an organization that supports youth summer activities, including but not limited to soccer, swimming, baseball, and other recreational activities. The parks and recreation department may spend the funds appropriated in this section only to the extent the organization has secured matching funds from nonstate sources on a dollar-for-dollar basis.

Please let me know if you'd like the language to be adjusted. I have cc'd Keith on this email since I won't be at the meeting but I will watch the meeting afterwards to hear any updates.

Thank you.

Levi
