September 1,2026

Chairman Klein, Chairman Ruby and Members of the Committee,

My name is Sandra Rupp. I am a native of North Dakota. I strongly urge a favorable vote for Senate Bill 2406. Anyone paying attention in North Dakota and across the USA knows that the people are asking for transparency. It's time to STOP the Back-Door deals. North Dakota deserves open and upfront business development.

Respectfully,

Sandra Rupp
Edgeley, ND 58433
