

**Do Pass Testimony  
of Doug Sharbono, citizen of North Dakota  
on HB1131  
in the Sixty-ninth Legislative Assembly of North Dakota**

Dear Chairman Beltz and members of the House Agriculture Committee, I am writing as a citizen and believe HB1131 is excellent legislation. I need to first declare my bias that I was raised on raw milk and raw milk products in North Dakota. When raw milk and raw milk products are available, there is no comparison in taste and quality. From my own experiences and conversations with a number of others who have had the benefit of having access to raw milk, I do not know of one case where there was a health problem from consuming raw milk and raw milk products.

Please give HB1131 a Do Pass.

Thank you,

Doug Sharbono
