

I am writing to support SCR 4006, a concurrent resolution urging Congress to establish federal protections for the wild horse herd at Theodore Roosevelt National Park.

Our wild horse family herds and donkeys are our Heritage. They have served us well for hundreds of years. Unlike cattle, our wild horse herds and donkeys protect and enrich our lands and it's soils. Our lands are better off with our wild horse family herds and donkeys on them. They deserve our protections, and to be fed and watered, not destroyed.

We are PROUD of our wild horse family herds and donkeys and want them protected, AT ALL COSTS.
Thank you for your consideration.
