Note: The budget guidelines for state fleet customers were prepared using estimated fuel prices for the coming biennium. Our primary fuel supplier cannot provide more definitive direction for the coming biennium due to volatile nature of oil pricing. Given the high level of uncertainty in which we are operating, it is possible that fuel prices may vary considerably from our current projections. Prior to the completion of the upcoming legislative session, if we become aware of significantly changed circumstances that would materially affect these guidelines, we will provide additional guidance via OMB.
