8 appropriation in subdivision 1 of section 1 of this Act, may be transferred from the
9 entities and funds within the control of the industrial commission or entities directed to
10 make payments to the industrial commission fund for administrative services rendered
11 by the commission. Transfers must be made during the biennium beginning July 1,
12 2025, and ending June 30, 2027, upon order of the commission. Transfers from the
13 student loan trust fund must be made to the extent permitted by sections 54-17-24 and
14 54-17-25.

15 2. The amount of \$1,818,114 appropriated to the industrial commission in subdivision 1
16 of section 1 of chapter 14 of the 2023 Session Laws and transferred pursuant to
17 section 8 of chapter 14 of the 2023 Session Laws is not subject to the provisions of
18 section 54-44.1-11. Any unexpended funds from this appropriation are available to the
19 industrial commission for administrative services rendered by the commission during
20 the biennium beginning July 1, 2025, and ending June 30, 2027.

21 **SECTION 8. TRANSFER - BANK OF NORTH DAKOTA PROFITS TO GENERAL FUND.**

22 The Bank of North Dakota shall transfer \$140,000,000 from the Bank's current earnings and
23 undivided profits to the general fund during the biennium beginning July 1, 2025, and ending
24 June 30, 2027. The moneys must be transferred in the amount and at the times requested by
25 the director of the office of management and budget after consultation with the Bank president.
26 For legislative council budget status reporting purposes, the transfer under this section is
27 considered an ongoing revenue source.

28 **SECTION 9. TRANSFER - BANK OF NORTH DAKOTA PROFITS TO ECONOMIC**

10 **PROGRAM.**

- 11 1. From the \$6,000,000 transferred to the state energy research center fund pursuant to
- 12 section 15 of chapter 14 of the 2023 Session Laws, the office of management and
- 13 budget shall transfer the sum of \$4,000,000 to the oil and gas research fund during the
- 14 biennium beginning July 1, 2025, and ending June 30, 2027.
- 15 2. The office of management and budget shall transfer the sum of \$21,000,000 from the
- 16 strategic investment and improvements fund to the oil and gas research fund during
- 17 the biennium beginning July 1, 2025, and ending June 30, 2027.
- 18 3. Pursuant to the continuing appropriation under section 57-51.1-07.3 and the powers of
- 19 the industrial commission under chapter 54-17.6, the commission shall use
- 20 \$25,000,000 from the oil and gas research fund, transferred under this section, for an
- 21 enhanced oil recovery grant program. The commission shall develop guidelines for the
- 22 grant program, including eligibility criteria, requirements for matching funds, and
- 23 reporting requirements.

24 **SECTION 11. LIGNITE RESEARCH, DEVELOPMENT, AND MARKETING PROGRAM -**
25 **LIGNITE MARKETING FEASIBILITY STUDY - REPORT TO THE SEVENTIETH**
26 **LEGISLATIVE ASSEMBLY.**

- 27 1. Pursuant to the continuing appropriation under section 57-61-01.6, up to \$4,500,000
- 28 from the lignite research fund may be used for the purpose of contracting for an
- 29 independent, nonmatching lignite marketing feasibility study or studies that determine
- 30 those focused priority areas where near-term, market-driven projects, activities, or
- 31 processes will generate matching private industry investment and have the most

1 potential of preserving existing lignite production and industry jobs or that will lead to
2 increased development of lignite and its products and create new lignite industry jobs
3 and economic growth for the general welfare of this state. Moneys designated under
4 this section also may be used for the purpose of contracting for nonmatching studies
5 and activities in support of advanced energy technology and other technology
6 development programs; for litigation that may be necessary to protect and promote the
7 continued development of lignite resources; for nonmatching externality studies and
8 activities in externality proceedings; or other marketing, environmental, or transmission
9 activities that assist with marketing of lignite-based electricity and lignite-based
10 byproducts. Moneys needed for the purposes stated in this section are available to the
11 industrial commission for funding projects, processes, or activities under the lignite
12 research, development, and marketing program.

13 2. The industrial commission shall report to the appropriations committees of the
14 seventieth legislative assembly on the amounts spent pursuant to this section.

20 identified as one-time funding in section 2 of this Act, including \$1,782,794 for
21 matching federal funds for an electricity grid resiliency grant and \$3,000,000 for lignite
22 litigation.

23 2. \$3,550,000 in the other funds line item in subdivision 4 of section 1 of this Act and
24 identified as one-time funding in section 2 of this Act, including \$400,000 for a rare
25 earth elements study, \$150,000 for an archeology excavation project, and \$3,000,000
26 for oil and gas litigation.

27 **SECTION 13. AMENDMENT.** Subsection 7 of section 6-08.1-02 of the North Dakota
28 Century Code is amended and reenacted as follows:

29 7. The release by the industrial commission, in its capacity as the managing body of the
30 Bank of North Dakota, of the following:

- 1 a. The name of any person who has obtained approval for direct ~~or indirect~~
2 financing or security, including a loan guarantee or a letter of credit, through the
3 Bank of North Dakota primarily for purposes other than personal, family, or
4 household purposes.
- 5 b. The amount of any financing or security referenced in subdivision a.
- 6 c. The amount of any net writeoff or loan forgiveness ~~associated with the financing~~
7 ~~or security referenced in subdivision a~~ which the industrial commission
8 determines is uncollectible.
- 9 d. The program under which any financing or security referenced in subdivision a
10 was made.

11 **SECTION 14. AMENDMENT.** Section 6-09-35 of the North Dakota Century Code is
12 amended and reenacted as follows:

13 **6-09-35. Confidentiality of Bank records - Exempt records.**

- 14 1. The following records of the Bank of North Dakota are confidential:
- 15 ~~4-~~ a. Commercial or financial information of a customer, whether obtained directly or
16 indirectly, except for routine credit inquiries or unless required by due legal
17 process. As used in this subsection, "customer" means any person who has
18 transacted or is transacting business with, or has used or is using the services of,
19 the Bank of North Dakota, or for whom the Bank of North Dakota has acted as a
20 fiduciary with respect to trust property.
 - 21 ~~2-~~ b. Internal or interagency memorandums or letters which would not be available by
22 law to a party other than in litigation with the Bank.
 - 23 ~~3-~~ c. Information contained in or related to examination, operating, or condition reports
24 prepared by, on behalf of, or for the use of a state or federal agency responsible
25 for the regulation or supervision of any Bank activity.
 - 26 ~~4-~~ d. Information obtained from the state department of financial institutions which
27 would not be available from that agency under section 6-01-07.1.
 - 28 ~~5-~~ e. The report by a Bank officer or member of the Bank's advisory board of directors
29 concerning personal financial statements.
- 30 2. The following records of the Bank of North Dakota are exempt:

1 **b.** Cyber liability coverage, including excess cyber liability coverage.

2 **SECTION 15. AMENDMENT.** Section 6-09.14-04 of the North Dakota Century Code is
3 amended and reenacted as follows:

4 **6-09.14-04. Fund moneys - Eligible uses.**

5 1. The fund moneys may be used to participate in an interest rate buydown on a loan to
6 a new or expanding business for the following eligible uses:

- 7 a. Purchase of real property and equipment.
8 b. Expansion of facilities.
9 c. Working capital.
10 d. Inventory.

11 2. The loan funds cannot be used to refinance any existing debt or for the relocation of
12 the business within North Dakota.

13 2-3. The community shall determine the amount of the interest rate buydown and apply to
14 the Bank of North Dakota for participation from the partnership in assisting community
15 expansion fund. The funds for the community's portion of the buydown may come from
16 a local development corporation, contributions, community funds, future dedicated tax
17 programs, or any other community source.

18 3-4. The fund participation portion in the buydown must be determined by the Bank of
19 North Dakota based on economic conditions in the city or county in which the business
20 is located.

21 4-5. a. The maximum amount from the fund in the interest rate buydown may not exceed
22 five hundred thousand dollars per loan.

23 b. If the Bank determines the project has a substantial economic impact and
24 qualifies as a primary sector business, the maximum amount from the fund in the
25 interest rate buydown may be increased by up to one million dollars, in addition
26 to the amount under subdivision a, without a required community match.

27 6. The fund participation must be limited to the amount required to buy down the interest
28 to five hundred basis points below the national prime interest rate.

29 5-7. The Bank of North Dakota shall adopt rules to implement this chapter.

30 **SECTION 16. AMENDMENT.** Section 54-18-21 of the North Dakota Century Code is
31 amended and reenacted as follows:

1 **54-18-21. Annual transfer - Agricultural products utilization fund - Main experiment**
2 **station fund - Branch research centers.**

3 Within thirty days after the conclusion of each fiscal year, the industrial commission shall
4 transfer ~~five~~:

5 1. Five percent of the net income earned by the state mill and elevator association during
6 that fiscal year to the agricultural products utilization fund.

7 2. Three percent of the net income earned by the state mill and elevator association
8 during that fiscal year to the main experiment station fund for the wheat breeding
9 program.

10 3. Three percent of the net income earned by the state mill and elevator association
11 during that fiscal year to the branch research centers for the wheat breeding program
12 with equal amounts allocated to the special fund of each branch research center with a
13 wheat breeding program.

14 **SECTION 17. AMENDMENT.** Section 15 of chapter 14 of the 2023 Session Laws is
15 amended and reenacted as follows:

16 **SECTION 15. TRANSFER - STRATEGIC INVESTMENT AND IMPROVEMENTS**

24 pursuant to subsection 36 of section 1 of chapter 550 of the 2021 Special
25 Session Session Laws, as amended in section 24 of this Act and exempted in
26 section 26 of this Act, the industrial commission shall distribute up to
27 ~~\$6,000,000~~\$2,000,000 from the state energy research center fund and up to
28 \$5,300,000 of federal funds from the state fiscal recovery fund to the state energy
29 research center for a salt cavern underground energy storage research project.
- 30 3. The research project must include a business case analysis for the construction
31 of up to two salt caverns in geological formations in North Dakota for the

1 development of underground storage of energy resources, including natural gas,
2 liquified natural gas, natural gas liquids, and hydrogen. The state energy
3 research center may collaborate with other entities as needed on the research
4 project. Prior to distributing the funding, the industrial commission must receive,
5 from at least one nonstate entity, assurance of financial or other types of support
6 that demonstrate a commitment to the research project.

7 4. During the ~~2023-24 interim~~ and 2025-26 interims, the state energy research
8 center shall provide quarterly reports to the industrial commission and at least
9 one report each interim to the legislative management regarding the status and
10 results of the research project.

11 **SECTION 18. EXEMPTION - UNEXPENDED APPROPRIATIONS.** The following
12 appropriations are not subject to the provisions of section 54-44.1-11 and may be continued into
