DO NOT PASS HB 1510

Chairman Heinert and members of the House Education Committee:

I am writing to you today to urge a **DO NOT PASS on HB 1510**. This bill is well intentioned, but establishing childcare centers at public schools without any appropriation or help from the state **is not feasible**. Districts **partnering** with centers and **contracting** for childcare slots might be a better option, but not every district can do that either.

Again, well intentioned, but ultimately, not practical. **DO NOT PASS HB 1510**.

Respectfully submitted:
