DO PASS HB 1553

Chairman Heinert and members of the House Education Committee:

I am writing to you today to urge a **DO PASS recommendation on HB 1553**. This bill puts money back into the pockets of families while ensuring their children are **fed healthy and warm meals every day at school**. Families would then be able to **buy groceries for their own children**. Using legacy funds is a great investment and dollars that will not go to waste.

Please continue to invest in our future by feeding our public school kids and **supporting HB 1553**.

Respectfully submitted:

Kristin Nelson (she/her)
