Survey Results for North Dakota-Livable Communities Questions

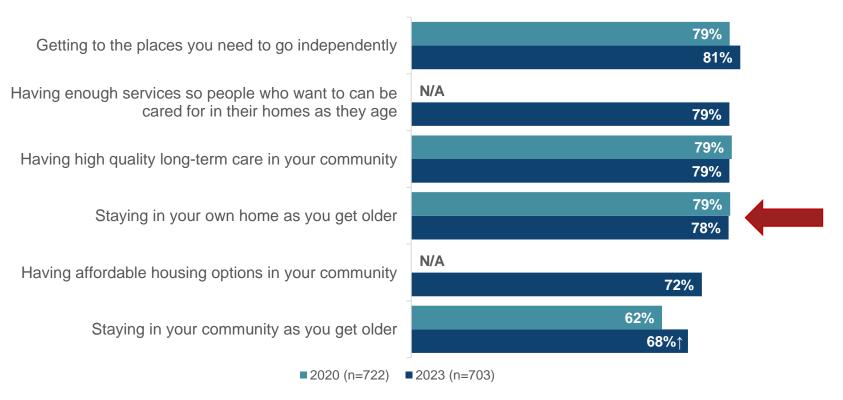

Issues That Impact North Dakota Adults Age 45 and Older

## **ISSUES OF IMPORTANCE**

North Dakota residents age 45+ find many independent living issues important, with getting to places independently (81%) topping the list.

### **Important Independent Living Issues**

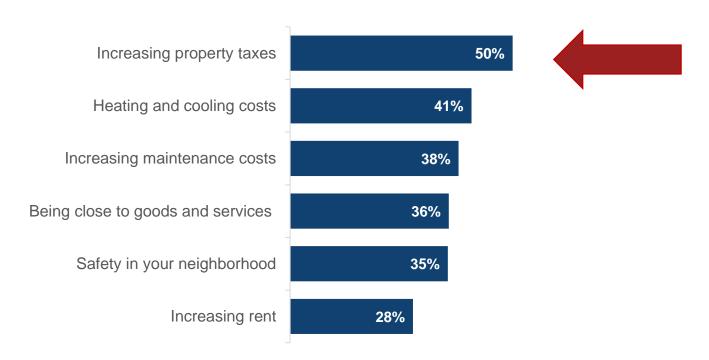

<sup>11.</sup> For the following list of issues, please indicate how important each is to you personally. (Percent 'extremely important' or 'very important')

<sup>↑ ↓</sup> indicates a significantly higher/lower percentage compared to the prior wave at the 95% confidence level.

# **HOUSING AND RELOCATION**

North Dakota residents age 45+ identified a variety of factors that would impact their ability to remain in their home as they age, with increasing property taxes topping the list.

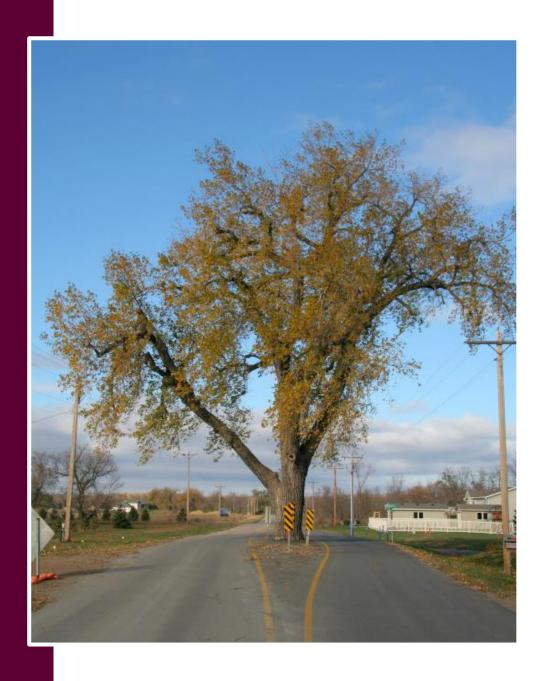

HOME-1. How much do you think each of the following would impact your ability to remain in your home as you age? (Percent 'a lot') (n=703)

## **ABOUT AARP**

AARP is the nation's largest nonprofit, nonpartisan organization dedicated to empowering Americans 50 and older to choose how they live as they age. With nearly 38 million members and offices in every state, the District of Columbia, Puerto Rico, and the U.S. Virgin Islands, AARP works to strengthen communities and advocate for what matters most to families with a focus on health security, financial stability and personal fulfillment. AARP also works for individuals in the marketplace by sparking new solutions and allowing carefully chosen, high-quality products and services to carry the AARP name. As a trusted source for news and information, AARP produces the nation's largest circulation publications, AARP The Magazine and AARP Bulletin. To learn more, visit www.aarp.org or follow @AARP and @AARPadvocates on social media.
