

**Do Pass Testimony
of Doug Sharbono, citizen of North Dakota
on HB1373
in the Sixty-ninth Legislative Assembly of North Dakota**

Dear Chairman Ruby and members of the House Human Services Committee,

I am writing as a citizen and believe HB1373 is desirable legislation. This legislation clarifies and codifies what rational citizens already know in their heart, that an unborn child is human. No other characterization could be taken as superior to this basic definition. Currently lacking in Century Code is an unborn child definition that makes it plainly simple for those who struggle to understand these concepts. This bill gracefully provides this understanding, so that there is no confusion.

Please give HB1373 a Do Pass.

Thank you,

Doug Sharbono
