Title.

Sixty-ninth
Legislative Assembly
of North Dakota

Prepared by the Legislative Council
staff for Representative Rohr
February 10, 2025

PROPOSED AMENDMENTS TO

HOUSE BILL NO. 1519

Introduced by

Representatives Rohr, K. Anderson, Frelich, Holle, McLeod, Toman

Senators Clemens, Paulson, Schaible, Van Oosting, Weston

1 A BILL for an Act to create and enact a new section to chapter 23-02.1 of the North Dakota

2 Century Code, relating to death and vaccination records.

3 **BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:**

4 **SECTION 1.** A new section to chapter 23-02.1 of the North Dakota Century Code is created

5 and enacted as follows:

6 **Death and vaccination records.**

7 1. The department of health and human services shall compile and maintain individual

8 death and vaccination records for each vaccine type for which there are records in the

9 North Dakota immunization information system.

10 2. For each individual appearing in the electronic death registration system and the North

11 Dakota immunization information system, the department shall record the following

12 information: unique identifying number, sex, race, date of birth, date of death, vaccine

13 manufacturer, vaccine type, date of vaccination, dose number, lot number, vaccine

14 provider, and vaccination location.

15 3. Within thirty days of the end of each calendar quarter, the department of health and

16 human services shall publish on its website a time-series summary report based on

17 the individual death and vaccination records for each vaccine type that has been

18 administered to more than twenty-thousand individuals in this state over the last

19 quarter. The summary report shallmust:

20 a. Cover all qualifying vaccines administered in this state in the last two years.

1   b.   Include the following index columns:

2   (1)   Month and year of administration;

3   (2)   Sex;

4   (3)   Birth year;

5   (4)   Vaccine ~~marker~~manufacturer;

6   (5)   Vaccine type; and

7   (6)   Dose number.

8   c.   Include the following value columns:

9   (1)   Total number of vaccines administered for the indexed cohort; and

10   (2)   Total number of deaths for the indexed cohort occurring within one, three,

11   seven, fourteen, twenty-one, and thirty days of the exact vaccination date

12   and continuing with columns reporting the total number of deaths for

13   additional thirty-day intervals through seven hundred twenty days since

14   vaccination, with the total deaths counted for each interval being cumulative

15   up to that period.

16   d.   ~~A~~Provide a redaction may not be made for a low count unless the department of

17   health and human services is expressly notified of a privacy issue regarding the

18   count.
