

Yes on HB 1584

I am writing in support of this bill. I own and operate 2 rural pharmacies in North Dakota, and we need to enforce these rules we have made already for PBMs. We have some good laws- why not enforce them with penalties?

HB 1584 will help to enforce PBM compliance. Congress is taking up laws to pass PBM reform nationwide, so this just makes sense in North Dakota.

Thank you for your consideration.
