

Dear Chair Klemin and the members of the judiciary committee,

I urge a “do not pass” on HRC 3013.

I am a transgender male who was born and raised in small town North Dakota. Growing up here has made me who I am, which is a kind person who is willing to go out of my way to help a neighbor. The small community I grew up in was always willing to lend a helping hand to anyone in need of it. Right now your LGBT+ citizens and neighbors are in need of your helping hand to fight back against this bill.

Thank you for your time, consideration, and service to our state.
