

House Energy and Natural Resource Committee

Testimony in OPPOSITION of HB1236

My name is Steve Goroski, and I am a long-time North Dakota resident, avid sportsman and conservationist of ND for almost 50 years. I am writing to express my opposition for House Bill 1236.

The ND Game and Fish sole purpose is to protect the wildlife in the state of North Dakota, and they have nothing to gain other than protecting our wildlife. It is so wrong and misguided for the legislature to tell the Game and Fish that they cannot use license sales to manage a scientifically proven wildlife disease.

The ND Game and Fish does a great job with limited resources already, so I urge your opposition to HB1236 with a DO NOT PASS from the committee. Thank you for this opportunity to comment on this piece of legislation.

Sincerely,

*Steve Goroski*
