

The entire state can feed wildlife any location, any time, any amount.

SB 2137 is about being able to **hunt** over the feed, that we can already place *anywhere, any amount, and any time*, in restricted units.

SB 2137 is about being able to **pull a trigger** when big game is around feed that we can place *any time, any where, and any amount*.

SB2137 is not about placing feed.
SB 2137 is about **hunting**.
