NO ON HCR 3020

Chairman Longmuir and members of the House Political Subdivision Committee:

I am writing today to express my **opposition to HCR 3020**. Sponsored by Representative Rios, this is a resolution largely supported in **Christian nationalism**; an ideology that has **no place** in North Dakota or our legislature. Furthermore, any bill or resolution sponsored by **Rep Rios** should automatically be **thrown out** considering his less than sterling reputation and news coverage as of late. **He should be expelled from the house.**

I strongly ask that you **oppose HCR 3020**.

Respectfully submitted:

Kristin Nelson (she/her)
