

To whom it may concern,

I am writing in opposition to SB2137. I am opposed to this bill because it removes a tool from the North Dakota Game and Fish agency to allow them to best manage North Dakota's wildlife. The agency is entrusted in managing wildlife for now and for future generations. I believe this bill will be a detriment to their ability to do so. I am concerned that this bill will not benefit wildlife at this time and will be a large obstacle to overcome in the future because it would require another passage of a law.

Thank you for your time and please oppose this bill.  
Jeremy.
