

Hello Senate Education Committee,

My name is Chris Ahlers and I live in the Fargo public schools district. I am a parent who has chosen to enroll all five my in the St. John Paul II Catholic Schools network.

I support SB2295 and I am in support of all school choice bills that help create parent autonomy and the right to provide an education for my child. I support SB2295 because sending my children to a private schools gives them something more than what they could get at a public school. It is not my perspective that North Dakota has inadequate public schools but instead private schools can provide something above and beyond what public schools can provide and that is something my wife and I *choose* to provide for our children.

In 2024, US News and World Report ranked the states and unfortunately we have the lowest overall education ranking in the four state area. Definitely room for improvement.

[Source: <https://www.usnews.com/news/best-states/rankings/education/>]:

- North Dakota as #28 in education (#34 in Pre-K - 12 and #12 in higher education)
- South Dakota was #15 in education (#29 in Pre-K - 12 and #7 in higher education)
- Minnesota was #17 in education (#17 in Pre-K - 12 and #18 in higher education)
- Montana was #22 in education (#27 in Pre-K - 12 and #16 in higher education)

We all value choice in our daily lives and where we put our money and our time is how we "vote" for the choice we make. As parents, we want a different education for our children. We desire to have our Christian values woven into their daily instruction and education. We desire the opportunity to make that choice and a voice to choose and we wish more families had the same opportunity to make that choice without significant financial burdens.

I urge you to vote in favor of SB2295 and to give parents a voice and the opportunity to make the choice that they feel is best for their children.

Thank you for your service to the state of North Dakota and your time on SB2295.
