Chair Beard and members of the Senate Education Committee,

My name is Samantha Harrison, a current resident of Mandan and former public school teacher. I am writing to you to urge a “Do Not Pass” recommendation and a “No” vote on SB 2295.

This testimony will, exhaustingly, mirror testimony I am submitting for five other bills that have been introduced this session. No matter what they are called, education savings accounts, scholarships, or tax credits—if they take money from public schools and funnel it to private institutions, they are vouchers, and I and other public educators current, former, and future vehemently oppose them.

The purpose of the public school system is to serve every child, regardless of income, ability, or background. Private and religious schools are not held to the same standards, and as a taxpayer in North Dakota, I oppose my tax dollars being used to support private education in any way. The State should be investing in the public school system, rather than be complicit in funnelling money away from it.

I urge a “Do Not Pass” recommendation from the committee and a “No” vote on the floor on SB 2295.

Sincerely,

Samantha K. Harrison  
District 34
