

I am a homeschooling mom, and small business owner, who believes in the educational freedom that homeschooling allows.

I strongly OPPOSE SB 2295.

The person (state or other entity) who provides the funding, will want to control how it's used. Homeschooling parents wish to school their children without the regulation strings that would come with any "free" money.

This bill would likely call for regulation, mandated curriculum, increased testing, and loss of data privacy. Do not push North Dakotan children into uniform products of the state, which would force transparency and accountability on taxpayer-funded projects. Homeschooling parents do not want this.

As a homeschooling parent, we should fight for the right to homeschool in peace and freedom. We do not believe that one educational plan fits all children and parents should be empowered to make that determination based on their child's unique gifts, talents, and needs.
