

My name is Brenda Weiler and I am writing to ask you to oppose SB 2307. I am the parent of a 12 year old daughter and do not feel this bill will "protect" my child. I feel that this bill instead has the potential to do harm by limiting what books and materials she will have access to. As her parent, I decide what she can read at the age appropriate time. It is not my place to tell other parents what and when to give their kids access to specific books and educational materials. It is not the place of the state of ND either.

I also believe this bill would put an unnecessary and costly burden on our local libraries and on those who staff them.

I urge you to give SB 2307 a Do Not Pass recommendation.

Thank you for your time and service,  
Brenda Weiler
