

SB 2208

Senate Energy and Natural Resources

Chairman Patten, I Strongly Urge a Do Not Pass on SB 2208. This bill is intended to restrain the voice of our local governments, so that these local commissioners cannot stand up for us. I believe this bill sponsored by the Gang of Six is to shut us up. This bill supported by the Gang of Six (Patton, Bekkedahl, Brandenburg, Erbele, Kessel, and Porter is an over reach of the state government.

Resistance to tyranny is the Duty of Liberty loving, God-honoring people. There is a right to resist oppression inherent in our nature as free people. It should make us angry when abuses, usurpations, and oppressions remove the Liberty that has been given to us by God.

We The People are charged with defending our Liberty, we are the strongest guard against the abuse of power that is about to inflicted by the Gang of Six.

I Strongly Urge a Do Not Pass on SB 2208

Thank You, Gordon Greenstein
