

Wild horses TRNP

DO Pass SCR 4006 please.

Members of the Energy and Natural Resources Committee:

I am writing to ask that you give a “DO PASS” to SCR 4006. This will come before your committee this week.

SCR 4006 asks for federal protection for the wild horses of Theodore Roosevelt National Park. This is important, to ensure that the horses remain in the National Park.

This resolution will help to support the dedication we have from Senator John Hoeven as he continues to take a lead role in making federal protection for this wild herd a reality.

Thank you for your consideration.
