February 06, 2025 2:30 PM - 4:00 PM,
Peace Garden Room - ND State Capitol

Regarding: Bill SCR4006 and SB

Dear Committee,

“Please pass SCR 4006” AND “Please pass SB 2331

I have visited Theodore Roosevelt National Park. Theodore Roosevelt National Park is the only national park in the ten western states of the United States with wild horses. They were here before the park became a national park. People from around the world come to see this herd in TRNP. Horses are part of this park’s diversity in cultural and natural resources. A One-of-A-Kind National Park. We are asking you to provide safekeeping and protection for the horses who add beauty to the Badlands as iconic keystone animals, and to the cultural heritage of this national park.

Sincerely,

Jannett Heckert
