

**SCR NO. 4006**

**Testimony of North Dakota Badlands Horse**

**Sherry Mills Moore, Vice President**

Good morning,

My name is Sherry Mills Moore, and I am the Vice President of North Dakota Badlands Horses (“NDBH”). NDBH is a 501(c)(3) formed in North Dakota in 2009 to continue the decades of work by Marylu Weber, and others, who were tracking, advocating for and assisting the wild horses of Theodore Roosevelt National Park (“TRNP”).

NDBH supports SCR 4006. This bill puts the strength of the North Dakota people behind the protection of the wild horses at the federal level. We disagree only with the wordage of line 12 that there are “significant” concerns regarding the management of the herd by Theodore Roosevelt National Park. We would prefer the word “significant” be struck. This subjective wordage winds up running contrary to the efforts to collaborate. Thank you for your past support of the TRNP horses. We request your “*do pass*” vote on this bill.
