

I strongly support SCR 4006 for (at least) the following reasons: These Horses Are a Living Tribute to Theodore Roosevelt They symbolize Roosevelt's conservation legacy and the untamed spirit of the American West. Protecting them honors the park's namesake and his contributions to public land preservation.* They Have No Federal Protection Unlike other wild horse herds, TRNP's horses are not covered under the Wild Free-Roaming Horses and Burros Act. Without protection, they can be removed at any time.* Wild Horses Boost North Dakota's Economy These horses are a major tourism draw, bringing visitors to Medora and surrounding areas. Their removal could negatively impact local businesses and jobs.
