

Chair and Committee Members, my name is Linda Haake from Albany, New York.

Please pass SCR4006. The resolution before you is asking our federal legislators to help secure federal protection for the wild horses that call Theodore Roosevelt National Park home. These horses are NOT protected under the Wild and Free Roaming Horse & Burro Act. The resolution clearly states that the state of North Dakota wants federal protection for this herd. The state recognizes the cultural and economic importance of these horses.

I enjoy following this herd on the Facebook posts by Chasing Horses Wild Horse Advocates. I look forward to the pictures and stories of these amazing wild horses that they share. It brightens my day! It would be a shame if future generations were not able to enjoy them too!

Thank you for your time and consideration.

Linda Haake
