

- **They Have No Federal Protection**

Unlike other wild horse herds, TRNP's horses are not covered under the Wild Free-Roaming Horses and Burros Act. Without protection, they can be removed at any time.

- **Wild Horses Boost North Dakota's Economy**

These horses are a major tourism draw, bringing visitors to Medora and surrounding areas. Their removal could negatively impact local businesses and jobs.

- **Public Support Is Overwhelming**

We all want these horses protected. SCR 4006 will encourage the U.S. Congress to recognize and act on this broad support by passing federal legislation that ensures the TRNP wild horses are protected.
